Dear Mr. Nowiski,

This letter is written to convey the thankfulness that your church, Community of Christ, has shown to the Midland County Department of Human Services. Often times, it is difficult for our department to adequately meet the needs of the children we serve in our foster care system. To receive such an abundance of blankets, hygiene items and toys far surpassed our expectations. Your church's level of generosity will assure these needs are met on an ongoing basis for a long period of time.

It is hoped that Midland County will be able to form a solid faith-based collaborative effort to meet the needs in our community. Thank you for opening that door and showing your support and commitment for our children.

Sincerely,

Antoinette M. Prabucki, Program Manager
