General Instructions:

- The auditor shall determine personally that the applicant company meets specified minimums of professional criteria in each area of the audit.
- The firm must provide the auditor with state's license and Landlord/Tenant laws with portions highlighted pertaining to the management contract and rental/lease agreement requirements.
- If a line item references compliance with a state of federal law a letter from your attorney signifying compliance will be required.
- A letter from your CPA will be required to verify accounting requirements.

- The firm must provide the location of all offices that provide property management services under the name of the firm; the location of the bookkeeping department; and a copy of the pertinent documents for Insurance, Employee Manual, Policies and Procedures, and the firms Organization
- Chart. The auditor should verify both the written procedures and actual work practices of the company by conducting staff interviews and by inspection of the office(s).
 - The purpose of interviews is to verify that the policies and procedures have been put into practice in the office(s).
- Please highlight relevant policies and provide page numbers of items as they relate to your
 Policies and Procedures documentation provided for each verification requested.

Scoring:

- Items noted with an (**) must pass for the entire audit will fail.
- Auditor will rate each item and score (1) point for each line that meets the stated requirement and zero (0) for each item that does not pass.
- If a particular item does not apply to the subject firm due to state or local laws, size of the company, or some other acceptable reason the item can be marked "N/A" (Not Applicable) and that item can be omitted for the purposes of scoring.
- Within each category, add up the number of total items considered (excluding those marked "N/A"). The auditor will add up the number of items passed, and then divide the number passed by the total items considered to determine the percentage. Every category must have a pass rate of 90% of the items considered for the audit to pass.
