

# St. Pius X Parents' Association

## St Pius X School Calendar 2016

### Order Form

Dear Parents/Guardian,

The Parents' Association as part of their fundraising activities are organising a school calendar for 2016 for St. Pius X National Schools. The Calendar will feature class photographs from each class in the Boys and Girls schools and is a lovely memento of your child's time in school. Many people also purchase a calendar as a gift for grandparents and family members – therefore, we are offering a discount on multiple calendars.

In order to reduce wastage and printing costs, we will be providing the calendar on a pre-order basis only. To order your calendar, please fill in your details below and return this form and the money in an envelope to your child's teacher no later than **Friday October 23rd**.
