

California Community Colleges Curriculum Alignment Project Expansion (CAP Expansion, 2013)

The California Community Colleges 2013 Curriculum Alignment Project Expansion Statement of Intent Form

On behalf of the faculty of our EC/CD department which includes both full-time and adjunct faculty, chair, and dean our campus is interested in participating in the **2013 Curriculum Alignment Expansion Project (CAP Expansion)**. We understand that this project includes potentially offering courses within the three subject areas, and that not all courses or subject areas are required for alignment:

Children with Special Needs (2 courses); **Infant/Toddler** (2 courses); and **Administration** (3 courses)

Our department understands that submitting this **Statement of Intent** makes technical assistance services and support from the project available to us and establishes our official relationship with this statewide effort. As a result of submitting the signed statement, I understand that our department will shortly be contacted by a CAP Regional Lead and receive the support that will allow us to begin this important process. Please complete the following information.

Please indicate which content areas your college is interested in
