

**Algebra 1**  
**Ch. 10 Assignments**

| <u>Date</u> | <u>Assignments</u>                                                                                                                        |
|-------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| _____       | <b>Lesson 10.1 Adding and Subtracting Polynomials</b><br>p. 580-582 #20-62 even, 65, 66, 70, 75, 80, 85                                   |
| _____       | <b>Lesson 10.2 Multiplying Polynomials</b><br>p. 587-589 #18-46 even, 54, 55                                                              |
| _____       | <b>Lesson 10.2 (cont'd.) WS 10.2</b><br>p. 589 #60, 65, 70, 73, 75, 80, 85                                                                |
| _____       | <b>Lesson 10.3 Special Products of Polynomials</b><br>p. 593 #15-35                                                                       |
| _____       | <b>Lesson 10.3 (cont'd.) WS 10.3</b><br>p. 593-596 #36-42, 47-50, 56-58, 65, 70, 75, 80, 81<br>p. 596 Quiz 1 #1-17                        |
| _____       | <b>Quiz 1</b><br><b>Lesson 10.4 Solving Polynomial Equations in Factored Form</b><br>p. 600-602 #20-42 even, 44-54, 59, 65, 70, 75, 80-82 |
| _____       | <b>Lesson 10.5 Factoring <math>x^2 + bx + c</math></b><br>p. 607-608 #12-46 even, 52, 53, 56-58                                           |
| _____       | <b>Lesson 10.5 (cont'd.) WS 10.5</b><br>p. 607-609 #13-47 odd, 54-55, 59-60, 65-67, 75, 80, 85, 90, 95, 96                                |
| _____       | <b>Lesson 10.6 Factoring <math>ax^2 + bx + c</math></b><br>p. 614-615 #16-62 even                                                         |
| _____       | <b>Lesson 10.6 (cont'd.) WS 10.6</b><br>p. 614-615 #15-63 odd, 64, 65, 73-76, 80, 83, 85, 88, 90<br>p. 617 Quiz 2 #1-27                   |
| _____       | <b>Quiz 2</b><br><b>Lesson 10.7 Factoring Special Products</b><br>p. 622-623 #18-62 even, 63, 64                                          |
| _____       | <b>Lesson 10.7 (cont'd.) WS 10.7</b><br>p. 622-624 #19-61 odd, 65, 66, 70-72, 75, 80, 85, 90, 95                                          |
| _____       | <b>Lesson 10.8 Factoring Using the Distributive Property</b><br>p. 629-630 #16-50 even                                                    |
| _____       | <b>Lesson 10.8 (cont'd.) WS 10.8</b><br>p. 629-632 #21-51 odd, 52, 61-63, 70, 75, 80-82<br>p. 632 Quiz 3 #1-25                            |
| _____       | <b>Review Ch. 10</b>                                                                                                                      |
| _____       | <b>Test Ch. 10</b>                                                                                                                        |
