- a legal change of name order;
- an adoption order; or

If the child's proof of immigration status does not show a complete date of birth, the specific **year, month and day** of the child's birth will be entered as shown on the child's supporting identification.

Provide original or copies signed and dated by your guarantor of any supporting identification showing that date of birth.

**Signature**

Children 11 years of age or over **must** sign their usual signature. The child's signature in section 1 will appear in the travel document. Therefore, the signature **must not** exceed the inner limits of the signature box.

Where joint custody provisions exist, either parent may be the applicant.

## Canadian Travel Document Photo Instructions

**Note:** Photo specifications for the travel document are different from those for a permanent resident card. You must submit **two (2) identical photos** with each Canadian travel document application.

### The photos must:

- be taken by a commercial photographer;
- be clear, sharp and in focus. Photos may be in colour or in black and white;
- have a neutral facial expression (**eyes open and clearly visible, mouth closed, no smiling**);
- have uniform lighting—no shadows, glare or flash reflections;
- be taken **straight on** with the face and shoulders centred and squared to the camera;
- be taken in front of a plain white or light-coloured background to clearly distinguish the person from the background. Photos must reflect/represent natural skin tones;
- be originals that **have not been altered in any way** or taken from an existing photo;
- reflect the current appearance of the child (taken within the last **twelve (12)** months); and
- be professionally printed on plain, high quality photographic paper (photos printed at home and photos printed on heavy weight paper are not acceptable).

### The following must appear on the back of one photo

- The name and complete address of the photo studio and the date the photo was taken. The photographer may use a stamp or handwrite this information (stick-on labels are not acceptable).
- The **guarantor's** signature.

### Additional information

- **Glasses**, including tinted prescription glasses, may be worn in photos as long as there is no glare and the eyes are clearly visible. The red-eye effect and sunglasses are not acceptable.
- **Hats and head coverings** must not be worn, except for religious beliefs or medical reasons. However, the head covering must not cast shadows on the face and the full face must be clearly visible.

### Child photos

- The above instructions apply equally to photos of children;
- The photo must show the child's head and shoulders only. The hands of the parent or the child must not appear in the photo.
- Passport Program, Citizenship and Immigration Canada (CIC) recognizes that it is difficult to obtain a neutral expression from a newborn and will be tolerant in this respect.
- For newborn babies, the photo may be taken while the child is sitting in a car seat, as long as a white blanket is placed over the seat behind the child's head. There must be no shadows on the face or shoulders, around the ears or in the background.

More information is available on our website at [passportcanada.gc.ca](http://passportcanada.gc.ca).

## Privacy Notice Statement

All personal information provided on this application form is collected by Passport Program, Citizenship and Immigration Canada (CIC) for the purpose of determining entitlement of the child to a Canadian travel document and to provide information to the Consular Operations Bureau of the Department of Foreign Affairs, Trade and Development Canada in the event that the travel document holder requires assistance while travelling abroad. In the performance of those services, personal information is collected, used and disclosed under the authority of the *Canadian Passport Order* and in accordance with the *Privacy Act* and any other federal laws, regulations and policies applicable to the protection of personal information, as described in Personal Information Bank PPTC PPD 101 (Certificate of Identity and Refugee Travel Documents). Personal information may be disclosed to third party entities, such as law enforcement authorities and identity document issuing institutions, for verification and security queries required in the delivery of travel document services. Personal information may also be disclosed by third party entities to CIC or other federal government institutions or Government of Canada offices abroad for those same purposes. To strengthen the security of the Canadian travel document, CIC uses facial recognition technology. Also, an electronic chip is inserted into the booklet. The chip contains, in electronic format, the photo of the bearer and the personal information (excluding the signature) found on page 2 of the booklet. CIC may contact the applicant/passport holder to solicit feedback about passport services.

## Important information concerning children travelling abroad

For more information, visit [international.gc.ca](http://international.gc.ca) and [travel.gc.ca/child](http://travel.gc.ca/child).

Q

### Travelling with Children or Children Travelling Alone

Immigration authorities in most countries are increasingly vigilant when children cross international borders. Whether travelling alone or accompanied by an adult, each child travelling abroad must have an individual valid travel document or passport and may also require supporting documentation. Prior to any travel, you should contact the embassy or consulate of all countries the child will be visiting to inquire about entry requirements.

R

### Documentation to Facilitate Travel Abroad

The following documents may be requested to support the entry of a child to another country:

- Birth certificate showing the names of both parents.
- Documents pertaining to custody.
- If the child is travelling alone, with only one parent, or with someone other than the custodian or guardian, a letter authorizing the person to travel abroad with the child. The child should have a letter from every person or organization with custodial rights, guardianship rights or, in Quebec only, parental authority. The Department of Foreign Affairs, Trade and Development Canada recommends that the letter be certified, stamped, or sealed by an official with the authority to administer an oath or solemn declaration.
- If one of the parents is deceased, the death certificate.

S

### Documentation and Tips to Facilitate the Return to Canada

The following tips may help to avoid delays when a child is returning to Canada:

- Make sure you carry proper identification for yourself and any children travelling with you to assist in confirming your legal right or authorization to enter Canada upon your return.
- If you have custody of the child, carry copies of documents that specify your custody rights.
- If you are not the legal guardian of the child, carry a letter of permission or authorization giving you custody when entering Canada. When a parent is travelling alone with a child, a letter from the other parent can also facilitate the return of both the parent and the child. The letter should also contain telephone numbers where the parent or legal guardian can be contacted.
- If you are travelling with a group, ensure you are in the same vehicle as the child you are accompanying when arriving at a border crossing.
- Have the child memorize a telephone number to call in an emergency.

T

### Custody Information

- Custody arrangements in Canada may not be recognized in another country. In extreme cases, the child may not be able to leave the country visited. It is recommended that, before leaving on a trip, you check with the embassy or consulate of the country or countries the child will be visiting to determine the documentation that may be requested relating to custody of the child.
