Instructions: The Authorized Representative and Contact Person for new institutions wanting to apply for the Child and Adult Care Food Program (CACFP) are required to view each of the following training segments prior to having their application for participation in the Child and Adult Care Food Program approved. Training on CACFP Requirements must also be conducted prior to participation for all key staff with CACFP responsibilities, and annually thereafter. Key staff includes the owner(s) of a for-profit child care center, director, cook, and persons with CACFP recordkeeping responsibilities. At a minimum, such training must include instruction, appropriate to the level of staff experience and duties, on the meal pattern requirements, completing meal counts, claims submission, and other recordkeeping requirements. Use the CACFP Documentation of Training form (67-25) to record annual trainings. Complete and submit this document, CACFP Training Certification (65-08), as part of your New Institution Application.
