

## APEGA SUMMIT AWARDS® NOMINATION FORM FOR THE ENVIRONMENT AND SUSTAINABILITY AWARD

### NOMINATION FOR: THE ENVIRONMENT AND SUSTAINABILITY AWARD

*"The award recognizes excellence in the application of engineering, geological and geophysical methods towards preservation of the environment and the practice of sustainable development." The leading theme is excellence in the application of professional skills by Albertans in the preservation of the environment and sustainable development.*

*The Award is intended to have a broad scope, open to a wide range of projects, achievements, initiatives and activities contributing to the preservation of the environment and/or contributing to the concepts of sustainable development. The Award may be made to an individual, a group or a project.*

*I am nominating (check one):*

- ☐ **An individual** for his/her contributions towards the goal of the award. **The individual must be a member of APEGA.**
- ☐ **A group of individuals** for their contribution towards the goals of the award. **All individuals in the group must be members of APEGA.** However, groups lead by an APEGA member/s may also be considered for the award.
- ☐ **A project**, in recognition of its contribution to the goals of the award. The project must have been completed, or have reached a significant degree of completion in the award year, and **the project leader or company responsible for the project must be a member of APEGA.** Projects within Alberta will be given priority, but projects located outside of Alberta may be considered, in which case they must include a significant professional contribution from APEGA members.

### EVALUATION CONSIDERATIONS (Total: 100 points)

1. Project Description and Systemic Issues (30 points)
2. Environmental Impact (30 points)
3. Application of Professional Skills (30 points)
4. Project Location (10 points)
