Education Program**

REQUEST FOR FINANCIAL ASSISTANCE

Thanks to generous funding from grants, sponsors, and individual donors, The Paramount is able to offer financial assistance to schools/classrooms with high free and reduced meals percentages. All schools receiving financial assistance from The Paramount are kindly asked to send letters following the performance thanking The Paramount and/or specific donor (if applicable) and to include impressions of their experiences. Ideally, these would include a letter from the school (teacher and/or Principal) and letters from students. Such letters and testimonials are critical to helping The Paramount continue securing and offering scholarship funding to students who might not be able to attend otherwise.
