CAREER DAY 2015

Quail Valley Middle School, with support from our PTO, is hosting its 8th Grade Career Day on Thursday, February 5, 2015. Exposure to a wide variety of careers prior to high school is a tremendous opportunity for our students to explore their options and plan for the future. Although this is an 8th grade event, help is needed from *all grade levels*. The Career Day Committee is seeking volunteers to help the day of and/or during the planning phase. We also need presenters: speakers willing to spend the day with the students in small group sessions or hosting business booths with career information at the Career Fair held in the gym.

.....Career Day Presenters

Presenter selection is based on student career interests that are identified in the fall.

- ❖ Speakers will talk to small groups of students interested in their field.
- ❖ Career Fair Presenters will host booths for all the 8th grade students in a business exposition format.

Students learn about education, training and experience that enable success.

..... Volunteers.

Volunteers are needed in many capacities.

- ❖ Event planning: helping to organize presenters, prepare materials and seek donations.
- ❖ Event day: help the day run smoothly by assisting with rotating student groups or with participant hospitality.

Volunteers will be contacted in September (planning) or in January (event).

If you are interested in being a part of this important event, please return this portion to QVMS by Friday, September 12. (Please print clearly.)

Name _____ Daytime Phone _____

Mailing Address _____ Evening Phone _____

City/Zip _____ Best time to call: _____ Daytime _____ Evening _____

E-mail Address _____

____ I would like to help in planning Career Day.

____ I would like to help on the day of the event.
