**TRAVEL WAIVER AND ACKNOWLEDGMENT OF RISKS**

We understand that buses are generally not provided for travel. Occasionally, buses will be used at an additional charge to the players. Athletes are responsible to find their own way to the away games. If traveling with another student, the following guidelines will apply when private vehicles are used:

1. The driver, whether student, coach, or parent, must have a valid driver's license and current automobile insurance.
2. Every student being transported must have and use a seat belt.

I understand that my son or daughter may have to travel by private vehicle to Water Polo activities which are not held at the Kearns Oquirrh Park Fitness Center. I release responsibility from Kearns High School, the Kearns Oquirrh Park Fitness Center, and the coaching staff from all liabilities for injuries received by athletes while in route to and from contests and practices.

Furthermore, I (parent) fully understand that participation in this activity has the risk of serious injury, paralysis, or even death. We also understand it is recommended that all athletes consult their physician before participating. With full knowledge of these risks, I choose to participate in this program, and I as his/her parent/guardian give my consent for participation, and I authorize the supervising coach to act in my behalf with his/her best judgment in case of an accident.

**INSURANCE**

We understand that the Kearns Oquirrh Park Fitness Center, Kearns High School, or Granite District does not carry accident insurance for injuries received during practices or competition. We understand that it is the responsibility of the parent/guardian to provide the primary accident insurance. USA Water Polo does provide secondary accident insurance for approved claims for reimbursement.
