

WEST BLOOMFIELD BANDS

4925 Orchard Lake Road • West Bloomfield, MI • 48323 • wbbands.info

The West Bloomfield High School Winter Ensembles (Winter Percussion and Winter Guard) are hosting a Winter Invitational at West Bloomfield High School on Saturday January 30, 2016. This is one of the first and best attended competitions of the winter season. In past years we have hosted up to 70 competing ensembles, and this year we anticipate at least as many, with up to 1,500 spectators expected to attend throughout the day.

We are offering the opportunity to **affordably** reach this enthusiastic, supportive group of fans by advertising in the program to be distributed at the Field Day. This audience is **very loyal** to those establishments that support their band programs. As you can see below, this is a highly cost effective approach to advertising your business.

West Bloomfield High School Winter Invitational Saturday, January 30, 2016
