

Christmas Sponsorship

What does it mean to be a Christmas Sponsor?

For 39 years, Dixon Transition Society has been providing transitional housing, counselling, and outreach services to women and children fleeing domestic violence. Christmas can be a particularly difficult time for mothers and their children, as they are uprooted from a life they were accustomed to in search of a healthy and safer life. Through our Christmas Sponsorship program, Dixon Transition Society provides new clothes and toys for these families who would otherwise wake up with little or nothing under the tree on Christmas morning.

We strive to provide the best services to these families all year round, and a sense of normalcy during the Holiday Season can make all the difference. The need for support and generosity grows immensely during the Christmas and Holiday Season; we make it our goal to ensure that the holiday is enjoyable for the families utilizing our services. We hope that you will join us this year in supporting one of the families currently residing with us this Holiday Season. With your help, we will be able to make this Christmas as special as possible for these families; what better time to support these women and children as they rebuild their lives free from violence.

As a Christmas sponsor, you will be:

- Keeping the true spirit of Holiday Season alive by helping a family in need
- Promoted through our social media pages: Facebook and Twitter
- Acknowledged in our quarterly newsletter
- Issued a tax receipt as per Canada Revenue Agency's guidelines

For more information, please call Corinne or Stephanie at 604-433-4191. We would be happy to provide you with more details of our Christmas Sponsorship Program.
