Working Together, Growing Together

Ahoy, me hearties!

Praise for Pirate Day!

Everyone at Crookwell Public School had a blast dressing in their best pirate outfits last Friday. Thank you to everybody who donated money to help children with brain cancer. We raised a total of \$201.10! *Shiver Me Timbers!*

Johnny Wilson, Connor Potts and Jet Tate dressed just like real pirates.

Mia Anderson, Jayda Hemara and Cody Tate look too nice to be pirates.

Maddy Wray and Keeley Cunningham climb overboard.

Do not mess with these Kindergarten Pirates! (Phoebe Selmes, Tynen Long and Emily Simpson).

A slightly different dress code for the staff on Pirate day too!

Real World Application of Mathematics

Year 6 students took their numeracy lesson outside, enjoying the sunshine, while learning about perimeter. Some students used a trundle wheel, while others simply paced the distance, to determine the approximate perimeter of the school block. And the result? About 505 metres. What a great way to apply mathematics to the real world!

Year 6 students making the most of the sunshine while studying mathematics.

'Kids on Keyboards' Concert

On Monday 22nd June, commencing at 10.30am, a concert will be held in the school hall for K-6 students and the families of students studying 'Kids on Keyboards'. I hope you are able to attend.

Multicultural Public Speaking Competition

Last week nine students from the primary classes competed in the school final of the Multicultural Perspectives Public Speaking Competition. Primary students and teachers were treated to a total of nine splendid speeches on "Sport breaks down barriers", "What it means to be Australian", "My identity" and "The meaning of Australia Day". All nine speakers are to be congratulated on their public speaking skills and the quality of their speeches. Lillyan Potts and Mason Kearney will be the Stage 2 representatives for the next round; the regional final to be held at Jerrabomberra next Tuesday, while Sophie Murphy and Mikeely Gray will represent Stage 3. We wish these four students all the very best for next Tuesday.

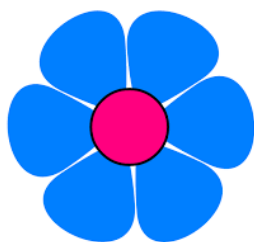

Mikeely Gray, Lillyan Potts and Mason Kearney make up three-quarters of the school's public speaking team which will participate in the Multicultural Perspectives Public Speaking Competition being held at Jerrabomberra Public School next Tuesday.

Each school has been allocated 2 tickets per performer. The cost will be \$6.00 for adults and \$3.00 for children.

Smartie Maths

3/4 has been using Smarties in numeracy groups. Students made graphs, worked out fractions and percentages and discussed the probability of choosing different colours and of course everyone got to eat their Smarties at the end. Who would have thought that maths could taste so good?!

Mya Hape and Kimberly Allport working hard in numeracy.

Flying Start

Superb art and imagination was on display at *Flying Start* this week with the 'Flying Starters' creating not one fantastic creature, but two! We began by constructing a cute and fuzzy eight legged spider with wide googly eyes using vibrant pipe cleaners and foam balls. After a few songs and the narrative Mister Seahorse by Eric Carle, we further stretched our artistic talents by creating a bright and fun jellyfish. Please enjoy the following snaps from the day!

Once again the Flying Starters enjoy time to dig and sculpt in the kinetic sand!

Amelia O'Brien, Louise Roberts and Ben Webster proudly show off their fuzzy spiders!

Ihaka Hape and Lincoln Kearney work hard attaching their jelly fish tentacles.

Kade Watling carefully glues on the first of many tentacles.

The Flying Starters work in teams during some art making.

So many bright and vibrant jellyfish!

WANTED! Past CPS Students of the Year

Each year at Presentation Evening an award named **Student of the Year** is presented to a Year 6 student. Can you help us to fill the gaps in our Student of the Year Register? We would like to have this information available in our school's 150th Anniversary Booklet.

We need the students of the year from **1982 and 2006**.

Please contact the office on 48321213 if you can help fill any of these gaps.

How many ways can you make a hexagon?

Kindergarten students are exploring the mathematics topic of 'area'. Through our investigations we have discovered that you can make a hexagon using many other shapes. We found 6 different combinations!

Charlotte Arentsen conquers the hexagon challenge!

Troy Allen – Visiting in NAIDOC Week

Our school is celebrating NAIDOC Week in the last week of this term. To celebrate this important event we have a guest performer coming to our school. Troy Allen uses song, music and didgeridoo, dance, artefacts, examples of ancient rock and cave paintings and fire making demonstrations to tell the stories of his people.

This interactive cultural awareness programme is delivered in a fun and educational learning environment where Troy quickly builds rapport with students. He tailors the content to the age of his audience and all programmes are designed to be thought provoking and to encourage discussion of his rich and diverse culture.

It is a show not to be missed! The cost of the performance is \$5.00 per child.

Please return your permission notes and money to the office by **Thursday 25th June**.

Thank you

Miss Logan and Miss O'Neill

This year Presentation Evening will be held on Friday 27th November, 2015 in Crookwell High School's multi-purpose hall commencing at 7pm.

Infants Excursion to Canberra Theatre

On Friday 24th July the students in Kindergarten, Year 1 and Year 2 will be travelling to Canberra Theatre to watch the live production of "Stripey The Emu Chick".

Imagine having to keep track of 30 small emu chicks, who are running here there and everywhere? Well, that's what Crikey, their emu dad must do..... and when one of them goes missing, that's when all the fun begins...

Stripey The Emu Chick is based on the hugely successful, award-winning, Stripey series of books by West Australian author, illustrator and artist, Wendy Binks. Stripey will make you laugh and make you cry, but most of all Stripey will simply steal your heart away. With oodles of audience participation, sing-a-long songs and a very cool emu chick called Stripey, Fair Dinkum Flats will never be the same! From Australia's award-winning producer of musical theatre for kids and families (Possum Magic, Wombat Stew, Peter Rabbit) comes another toe-tapping, knee-slapping, full on musical adventure LIVE ON STAGE!

Students will be leaving school at approximately **9am** and returning to school by **4pm**. Children who normally catch buses to and from school will need to ensure they are at school on or before 9am. Children will need to bring a packed recess and lunch in separate plastic bags with their names clearly labelled. Disposable drink containers would be a handy idea on this excursion.

The total cost for this excursion is \$36 which includes ticket and bus fare. To assist parents in making the payment for this excursion, a payment plan has been set up with first instalment of \$12 per child due on 5th June, the second instalment of \$12 per child due on the 26th June and the final instalment of \$12 per child due on 17th July.

If there are any questions relating to this excursion please feel free to contact the school or come and talk to one of the infants staff members.

Thank you

Soccer Gala Day

On Monday our boys and girls soccer teams braved the cool and muddy conditions for the annual soccer gala day held in Goulburn. The girls team were up first against the Laggan combined team. The girls put forward a tremendous effort, especially considering we were a couple of players short and unluckily lost that match by one goal. The boys were up next against Laggan where five of our players scored goals; Blake, Shay, Tyson, Jarred and Isaiah. The boys went on to play against West Goulburn and then Marulan where we unfortunately lost both games. The girls went on to play three more games against Marulan, Laggan again and Queanbeyan. The standout game for the girls was against Laggan where we won 8 – 0. Mikeely Gray and Zandalee Reeves went to score a hat trick of goals each with Petria Okkonen scoring two goals as well. The students are to be commended on their effort and sportsmanship on the day.

They represented our school with pride, determination and enthusiasm. I would like to personally thank our coaches, Donna McDonell, Alex Rose and Roy Reeves for giving up their time over the course of this term to train our teams. I would also like to thank our parents who transported the players and provided support for our teams during the day.

A very deserving thank you goes to Mrs Atfield who kindly washed the team's socks and tops.

1865 - 2015 Celebrating 150 Years!

Blast from the Past

Miss Junko Oura spent much of 1992 teaching the students of Crookwell Public School about the language and culture of her homeland, Japan. Miss Oura was the third Japanese tutor to come to Crookwell after Mrs Rowley began the program in 1990. Miss Oura stayed with three host families during her stay including the Wheelwright family, the Palmer family and with Mrs Rowley and her husband Des. Miss Oura extended her visa and was growing sadder as the date drew nearer for her to head back home to Japan. She loved shopping while in Australia and played sports such as netball, hockey and cricket which she thought was a very funny game with strange rules. Both Miss Oura and the students learnt an awful lot with and from each other about their differing cultures and languages.

Hidden Treasures

Crookwell Public School is celebrating 150 years of public education this year and we would like to put a book together that features articles and photographs from our amazing past. If you, your parents, grandparents or great grandparents attended our school as a student or staff member and you have any documents, photos or any piece of history in a safe place at home we would love to have a copy of it to add to our 150th anniversary book. The office staff is more than happy to scan photos or other documents that you might have so we can add these to our collection. Please spread the word so we can make our 150th anniversary book a wonderful piece of history that families can enjoy for years to come.

Thank you,
150th Anniversary Committee

Paver Orders Closing Friday 26th June

You do not want to miss out on this opportunity to have your family name added to our 150th Anniversary wall. Hopefully, the pavers and wall will be shared and enjoyed for another 150 years!

CELEBRATING 150 YEARS

Crookwell NSW 2583

Celebrate Crookwell Public School's 150th Anniversary by Purchasing a School Paver.

In October this year the school will be celebrating the 150 year anniversary. 150 years of continuous public education on one site is an amazing achievement in such a young country. Part of our sesquicentennial celebration is to recognise past and present families of the school by providing the opportunity for a family paver to be purchased that will be on display for generations to come.

To be able to display our pavers during our 150 year celebrations, all orders must be received by the school office by Friday 26th June 2015.
