NAPLAN Test Results

The NAPLAN Test Results have been released for Years 3 and 5 and will be available at the school office for parents to collect from next Monday onwards. All NAPLAN envelopes that are not collected by Friday 28th August will be sent home attached to next Friday's newsletter.

As always, should you have any concerns about your child's progress please contact the school to see the class teacher or see Mr Atfield.

Learning about Life Cycles at Flying Start

During Flying Start this week we discovered that caterpillars turn into beautiful butterflies as part of their life cycle! After reading 'The very hungry caterpillar' by Eric Carle we discussed other animals that change, such as frogs and chickens. We made a huge class caterpillar and then we had the opportunity to make one of our own. They look fantastic!

Louise Robertson is delighted with the delicious cake she whipped up during group time.

Lily Hattam's detailed and beautiful hungry caterpillar.

Our class caterpillar takes five people to hold up!

Lincoln Kearney problem solved to finish the caterpillar puzzle.

Kade Watling and Amelia O'Brien follow each other around the spiral.

George Willis and Lincoln Kearney carefully crawl through the play equipment.

Please remember: Flying Start children are invited to come along to our Book Parade on Tuesday 25th August at 12 o'clock in the hall. We hope to see you there!

Fruit Salad Day

The School Forum is hosting a fabulous and healthy fruit salad day as their 'foodie' fundraiser this term. Fruit salad and yoghurt will be on sale in the canteen area, at lunchtime, on Thursday 27th August, 2015.

The cost for this fresh treat will be:

- \$1.50 for fruit salad
- \$2.00 for fruit salad and yoghurt!

We hope you are able to support us by purchasing on the day!

Many thanks

Fruit & Veg Month 2015 – Let's Go Green!

Our school is participating in the fun of Fruit & Veg Month, which runs for the last 4 weeks of this term - Monday 24th August to Friday 18th September.

As part of Fruit & Veg Month, students will be involved in various classroom and school based activities that aim to encourage them to eat more fruit and vegetables.

Parents are asked to encourage their children to include a piece of fruit or a vegetable in their lunch boxes to enjoy during the fruit and vegetable breaks in their classrooms.

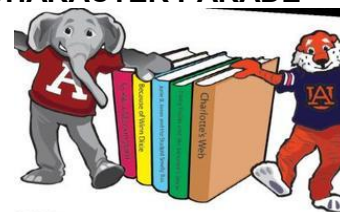

MADD Night

The Year 6 El Bombo Drummers and the GCOPS Choir have been invited to perform at the biennial Crookwell High School MADD Night. MADD: Music, Art, Drama, Dance and Design is a concert and exhibition that showcases the talents and skills of students attending Crookwell High School. It is a great privilege to be asked to perform at this concert.

The concert, held in the Crookwell High School hall on Thursday August 27th, will commence at 7:00pm. Students performing in MADD Night are to meet Mrs Atfield and Mrs McCormack at the back of the high school hall at 6:00pm. Crookwell Public School performers will attend a rehearsal at Crookwell High on Wednesday August 26th. As Year 6 is at the high school for Taster Lessons on that day they will remain after recess, when they will be met by the GCOPS choir. The students will then participate in rehearsals after recess. At the completion of rehearsals, students will walk back to Crookwell Public School, weather permitting, with Mrs Atfield, Mrs McCormack and Miss McPaul, in time for lunch.

Performers will not require a ticket for MADD Night however, parents and friends will. If you wish to attend this terrific evening of spectacular entertainment tickets can be purchased from the Crookwell High School office for \$8 each.

BOOK WEEK CHARACTER PARADE

This year Book Week is being celebrated in Week 7, Monday 24th August to Friday 28th August. The theme this year is 'BOOKS LIGHT UP OUR WORLD'

Our Book Week character parade will be held on TUESDAY 25th August commencing at 12.00pm in the hall. All students are invited to dress up as their favourite book character and parade with their year group in front of the rest of the school community.

In the past, students have brought along the book from which they found their character, and so of course this year they are welcome to do the same.

Parents, grandparents and family members are very welcome to join us on this occasion. So get creative designing your costume and we will see you there!

Mrs Davies

It is once again that exciting time of the year when we get involved in the wonderful world of science. National Science Week 2015 is from 15-23 August and students will be participating in a range of hands on science experiences throughout this term. One of the VERY exciting activities that students will be participating in is the competition GALAXY EXPLORER!

Students will be looking at a range of images of various galaxies and using classifying skills to categorise what type of galaxy it is. Students all over the world have the opportunity to partake in this program. We also have the opportunity to go into the draw to win prizes for our school! Students will work together in Peer Support groups and classify as many galaxies as they can.

More information can be found online at <https://www.galaxyexplorer.net.au/about/>

If you would prefer your child not to participate in this activity please notify the school immediately.

C.W.A. Educational Grants for Year 6 Students

Students in Year 6 were given educational grant application forms. The grants are provided to successful applicants by the Country Women's Association of N.S.W.

To be eligible to apply for the grants students must enter Year 7 in 2016.

N.B. Applications need to be returned to the school no later than Friday 28th August, 2015 in order to be considered. Late entries cannot be accepted.

Enrolling Now For 2016

If you know of families who are in the process of enrolling children at Crookwell Public in 2016 please encourage them to return their Application for Enrolment Forms to school promptly. This will allow staffing arrangements to be firmly in place for the commencement of the 2016 academic year.

Families new to the school community who are considering enrolling students at the school are invited to contact the school on 48321213 to arrange an interview with Mr Atfield, meet the staff, tour the school and receive a Crookwell Public School Information package.

Thank you to the families who have already completed and submitted their child's application to enrol.

Woolworths Earn & Learn

Thank you to everyone who is supporting Crookwell Public School students through the Woolworths Earn and Learn Program. Woolworths Earn and Learn sticker sheets, full of stickers from the supermarket checkout operators, are quickly filling the Crookwell Public School collection box that is outside the Goulburn Woolworths and arriving at the Crookwell Public School office in droves.

Your support will enable us to obtain our share of the thousands of educational resources that are available through the Woolworths Earn and Learn program.

Year 2, 3 and 4 Excursion to Questacon

On Tuesday 15th September (Week 10) students in Years 2, 3 and 4 will be attending an excursion to Questacon, the National Science and Technology Centre, in Canberra. The excursion will provide students with a wonderful opportunity to engage with science through fun, interactive and relevant learning experiences.

Students will leave the school at 9:15am and return at 3pm. The cost of the excursion will be \$29 which will include entry to Questacon, as well as the bus fare. **Students are not to bring any money with them as they will not be purchasing at Questacon.**

Students will need to wear full school uniform and bring a hat, recess and lunch.

Number Combinations

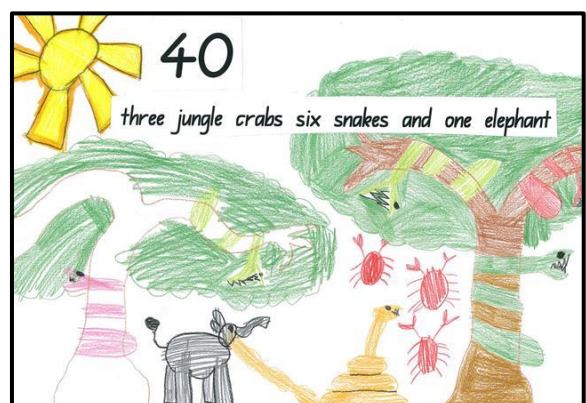

Students in 1/2M have been working hard on their number skills over the past weeks. Last week when investigating concepts of addition, the students read and listened to a story called One is a Snail and Ten is a Crab. The book investigates making combinations to one hundred, using animal legs. The students were then set the task of coming up with their own number combinations when making numbers to one hundred, and haven't they done a fine job.

Sam McGregor set himself a challenge of a large number of animals to come up with a total of 90 legs all together.

Sophie Ward used a combination of gorillas and elephants to make the number 60.

Vincent Bill used a combination of jungle crabs, snakes and an elephant to make the number 40.

Thank you

I would like to extend a warm thank you to all the students who welcomed me back to school with hugs, cards, pressies and warm wishes. It was so nice to see their happy faces again. A big thank you goes to Connor and Hannah Shipton who made me a beautiful welcome back cake, which my class and I enjoyed at lunchtime. *Miss Winkler*

Miss Winkler with the two masterchefs,
Connor and Hannah Shipton.

ALL students are asked *NOT* to bring nuts, peanut butter or Nutella to school.

If your child suffers from allergies the school needs to be informed. There is information available from the school office, along with forms that need to be filled in by parents of students who have been identified as being anaphylactic, ever been hospitalized due to anaphylaxis, or have been issued with an EpiPen.

If you need clarification, please contact the school. Thank you for your support and understanding in this matter.

BOOK CLUB

Issue 6 of Scholastic Book Club is out now and will have been distributed to students.

Please note the return date for orders is **MONDAY 31st AUGUST**, so please choose that book and have your order in on time, to avoid missing out!

Remember parents can also order via Loop Orders on the Scholastic Book Club website.

MILO in2cricket Skills Program

Dear Parents/Caregivers

For the next four week students from K – 6 will be participating in the MILO in2cricket Skills program run by accredited coaches from Cricket NSW. The program will work on the development of fundamental movement skills associated with cricket and will complement our Health and Physical Education syllabus. There will be no costs to students for participating in this program due to sporting funding that the school has received. Students in K – 2 will participate on Wednesday and 3 – 6 on Thursdays. Students will need to wear their sports uniform on these days. The program will be held in our school playground.

What is Anaphylaxis?

Anaphylaxis is a severe and sudden allergic reaction. It occurs when a person is exposed to an allergen (such as food or an insect bite). Reactions usually begin within minutes of exposure and can progress rapidly over a period of up to two hours or more. Anaphylaxis is potentially life threatening and always requires an emergency response. Fortunately anaphylactic reactions are uncommon and usually preventable.

At Crookwell Public School there are students who suffer from severe allergic reactions and in order to provide a safe environment our policy is to restrict access to allergens.

Blast from the Past

Some of our students from 2008 enjoyed coming together for reading groups during literacy time each day. Students who come together for reading can peer tutor their peers through modelling what great reading sounds like. Reading groups are still utilised today through the very successful L3 program.

• READING GROUP: Shannon Smith, Henry Marks and Hamish Hammond are sharing one of the big books that are part of the Crookwell Public school's newly-implemented reading scheme.

Vacations and Terms

From 1848 to 1928 schools operated on a four-term year, with teachers being required to furnish quarterly returns. In 1929 a two-term year was introduced, but was so unpopular that in 1930 a three-term year was adopted. Since 1903 schools in the western division of the State have enjoyed an additional week at the end of the Christmas vacation; schools in the Broken Hill district had enjoyed the additional week from 1890. Until the end of 1929 separate secondary schools had one or two weeks more holidays than primary schools. The additional weeks vacation in autumn was obtained in 1974 by slightly reducing the periods of the Christmas and spring vacations. In 1987 a four-term year was reintroduced; total holidays remained unchanged despite an apparent extra week. In the outline below, vacation periods are rounded to the nearest week.

P&C Update

Beautification Committee

The P&C Beautification committee’s **working bee which was scheduled to be held on Sunday 9th August is going to be postponed until Sunday 13th September 2015** on the school grounds. Hopefully the weather will be a little more pleasant to work in and we will be able to give the school grounds a last tidy up before the school goes on display for the 150th celebrations.

If you have a couple of hours that you would be available to spend lending us a hand we would be more than grateful.

Please phone the school on 48321213 and leave your details.

Fathers’ Day Stall

Fathers’ Day this year will be on Sunday 6th September. The P&C will be running our Fathers’ Day stall on Friday 4th September during the morning session. If you would be available to help sell the Fathers’ Day gifts to our students, please complete the slip below and send it to the school office.

Thank-you
Sharon King
