TETAF Registration and Cancellation Policy

Reservation for this course will be secured with completion of the registration form and payment to TETAF. Registrations received without payment will not be processed until payment is received.

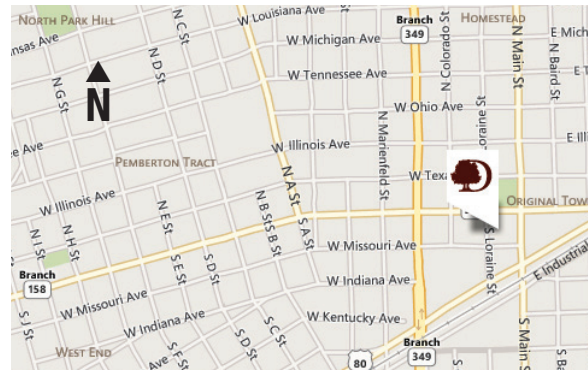

Cancellations prior to July 2, 2014, will be refunded less a \$25.00 cancellation fee. **There will be no refunds for cancellations after July 2, 2014, or failure to attend.** Note that a substitute may be sent if the original registrant is unable to attend.

Hotel Accommodations

The Permian Basin Health and Safety Conference will be at the **Doubletree Midland Plaza hotel in Midland.** Due to the oil boom, hotel space is very limited. TETAF has negotiated a special reduced room rate of \$124 per night plus taxes for the nights of Aug. 1 and 2. Make your room reservations no later than July 18 to obtain the special rate, subject to availability.

Valet parking will be available at no charge for guests of the hotel. Self-parking is available at no charge for attendees.

Contact the hotel directly to make reservations at **432/683-6131** and be sure to mention **EMS** to receive the discounted rate.

Permian Basin Health and Safety Conference

Aug. 2, 2014

8 a.m. - 5 p.m.

Doubletree Midland Plaza
117 West Wall Street
Midland, Texas, 79701

Presented by Texas JRAC and the
Texas EMS Trauma & Acute
Care Foundation

TETAF
TEXAS EMS TRAUMA &
ACUTE CARE FOUNDATION
www.tetaf.org

Course Description

The oil boom in RAC J has created a number of potentially dangerous situations – from increased motor vehicle accidents to explosions at well sites which can cause combustible material as well as chemical burns. By studying the explosion of the fertilizer plant in West in 2013, RAC J trauma providers, oilfield safety works and other stakeholders can learn valuable lessons and be better prepared for potential disasters in the West Texas oilfields.

Target Audiences

This conference will be of interest and benefit to physicians, nurses and EMS personnel who respond to and treat trauma patients, particularly those injured in oilfield-related accidents. Oilfield safety personnel and other stakeholders also are invited to attend, learn and network with JRAC emergency providers.

Continuing Education

6.75 contact hours of continuing nursing education will be awarded.

Texas EMS Trauma & Acute Care Foundation is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

EMS personnel who attend the entire educational activity and complete an evaluation form will receive **8.1 contact hours** based on the content areas specified on the certificate of successful completion.

Conference Agenda

7:30 – 8:15 a.m.

Breakfast and Registration
