

STAR STUDENTS May 2015

Infants: Briyanna I: Briyanna is one of the happiest babies we have. She is one of our youngest infants but we can see how sweet her personality is and she already has such a kind and demeanor. Briyanna enjoys her tummy time, observing toys and friends in the room. It doesn't take too much to make this pretty little girl smile either. She gives you her full attention when you talk to her, giving you the cutest smile ever. She also recently started rice cereal and loves to eat. This will help her grow into a strong girl and she will be moving around before we know it. We are so excited to watch her grown and learn.

Kylie P: Kylie is beyond adorable. She is such a pleasant, bright eyed, funny little girl. She absolutely enjoys the company of her classmates. They play together on the floor and at the table. As they play, Kylie giggles with delight when the toys make a funny sound. One of her favorite toys is the caterpillar. She just stares at it with joy. Kylie enjoys meal time as well. She loves most of the fruits and veggies she has tried. Her appetite is growing along with her. We truly enjoy watching her learn new things.

Toddlers: Elijah R: Elijah is a sweet, quiet, and shy little boy. He loves playing with any type of ball. He likes to play whether it's inside or outside. He is making great progress during circle time and is participating more. He is starting to come out of his shell and is becoming more social with his classmates. Elijah is working on his self-help skills and is doing a great job using a spoon. We are so proud of all his progress and love having him in class.

Avery T: Avery is always smiling and she love giving hugs. She is starting to use her spoon more and she really likes being independent. Some of her favorite activities are dancing and playing Lego's. Avery loves outside time. She enjoys going in and out of the playhouses. Avery is starting to participate in circle time and likes our flashcards. Avery is making great progress all around and we are so excited to see what she will learn next!

Young Two's: Jordyn T: Jordyn is an amazing little girl and brings so much joy to our class. She has become very self-reliant since joining our class. She enjoys doing most things on her own. She is a very bright child. Jordyn knows all of her shapes and colors and we are currently working on her letters. We know she will get them in no time! Jordyn loves to pay in centers. She explores everything. You will see her going from center to center. Her favorite would have to be cooking in home-living. Jordyn is now officially potty trained and we are so proud of all her progress. We adore her and love watching her grow each day.

Mariah W: Mariah is a wonderful little girl. She is very energetic and full of life. She loves playing in centers. Her favorite area to play in is home-living. She loves to take care of the baby dolls. Mariah is very smart. She pays close attention during circle time and learns very quickly. She is working on identifying all of her colors and shapes. She is currently working on potty training and is doing very well. Since starting in our class, she has opened up a lot and is becoming very talkative. Mariah has an excellent vocabulary. We are very lucky to get the chance to work with Mariah. She is a great part of our classroom.

Older Two's: Huston H: Huston is a special boy and is a great addition to our class. He is very sweet and has a smile on his face all of the time. He loves to give hugs and shows concern for his friends' feelings. Huston is very smart for his age. He knows almost all of his colors, letters, shapes and numbers. He participates in circle time and other activities for the day. Huston is very social and his favorite activity is cars and trucks. You can usually find him playing with Arya and Blake. Huston is such a joy to have here with us at Kimbi's.

Adrienne G: Adrienne is loving and kind, and sometimes shy. She is very smart and is a big helper in class. She knows her colors, shapes, almost all of her letters and numbers. Some of her favorite activities are art and trucks, but her favorite is to sing and dance, especially with her friends Abby and David. Adrienne is very talkative and has a large vocabulary; she loves to share stories about her dog. Adrienne has grown so much since being with us, and we know she will do great when she goes to the next class!

Three's: Divy J: Divy is the class gentleman and is such a sweetheart. He does a wonderful job of using his manners all of the time and even reminds his friends to use theirs too! Divy is definitely one smart cookie. He can identify most of his letters and numbers. He is a great participator during circle time and story time. Divy loves to race cars and loves to play with all of his classmates. He is truly a great role model for his friends. We are so proud of you Divy!

Rhylee H: Rhylee is one of the classroom fashionistas and is always on her best behavior. She gets along with all of her friends, but her

BEST friend is Jose. When they get together, it's like no one else exists. Rhylee is doing a great job with her learning activities. She can identify most of her numbers and letters. She is very active during Circle Time and loves to hear new stories. Some of Rhylee's best qualities are her sweet smile and her positive demeanor. She is always very polite and shows off that big beautiful smile on her face. We love having her in our class.

Four's: Sheilly O. We are so happy to have Sheilly join us in our 4's class. She always comes to class with a big smile on her face. Sheilly knows all of her letters. She is a pro with her shapes and colors too. When it comes to sight words, she knows almost all of them. Sheilly loves to play in centers; her favorite is home-living. She is one of the best cooks here at Kimbi's. Sheilly loves art and always creates the best pictures. We love the progress she has made with us in 4's and look forward to what she will learn next.

Ben Q: Ben is the ball of fire in our class. He has made so many friends in our 4's class. Ben loves to build with the blocks and we have no doubt her will be a great construction worker when he grows up. Ben loves to play different games in the gym but his favorite is shark attack, he is one of the best sharks we have in class. Ben is not only fun but he is super smart too. He has mastered all of his shapes and colors, and he is working on mastering his letters and numbers. We are very proud of Ben's progress and are so happy that he fits in so well with us in 4's.

Preschool: Tiffany W: Tiffany is a bright and playful young lady. She loves to play with her friends. Whenever it is time to choose a center;

her face lights up with joy. Her first choice is often home-living; she grabs a baby doll and cooks up a great meal. Tiffany has awesome self-help skills and rarely asks for assistance, she enjoys her independence. When Tiffany first came to us, she was very shy but she is now participating during circle time and is making great progress with her shapes and colors. She has come out of her shell and made some special friendships. We often see her coloring with her friends, and she makes sure her masterpiece is perfect before taking it home. Tiffany is a sweetheart and we are very lucky to have her in our class.

Alex T: Alex is our little track star. He does everything on the run! It's no surprise that his favorite activities are gym time and outside time. His favorite game is shark attack and he likes to be the shark. Inside the classroom, Alex likes to race cars and build with blocks. Alex has amazing self-reliant skills and will even help his friends when needed. He is always willing to clean his area and then remind his friends to clean theirs too. Alex is very kind to everyone and enjoys spending time with his friends, especially during music and movement. He is one of our best singers and dancers. Alex is truly a joy to have in class and we are happy to have him.

School Age 1: Leayonna J: Leayonna is such a ray of sunshine. She always walks in with a smile on her face and has a hug to go with it. She is doing such a great job with her letters, shapes, and numbers. She can spell her whole name and even some of her sight words. She works so hard and we are so proud of her. She has great self-help skills

and we know she will master her shoe-tying in no time. Leayonna's favorite activity is writing. She loves to spell and write her name. Her favorite center to play in is cars and ramps. Leayonna shows so much interest in our classroom, she truly loves to learn. She has progressed so much and we know she will continue to grow.

Alanah A: Alanah is a quiet and loving young lady. She knows all of her shapes and colors, and she can count all the way to 100. Her self-help skills are great, she can button and zip. She is working on her shoe tying but with a little more practice, she will do great. Some of Alanah's favorite activities are art and reading. She likes to read any chance she gets. She gets super involved in any lesson we do and we know she will do great in Kindergarten this fall! We are so proud of her!

Kimbi's is so proud of all of you. Keep up the good work!
