It is with great pleasure that we present to you the complete handbook of operating a self storage facility in Michigan. Your Association has partnered with our National Association (SSA) to provide you with the necessary information and necessary forms to be in compliance with Michigan Law.

You have the ability to download this entire handbook and customize the contents with your company logo! The cost to have an attorney prepare the documents included would be thousands of dollars. As a member of SSAM you are receiving this at a small fraction of the cost.

This is a great value and benefit to the SSAM Membership. SSAM thanks you in advance for your support and we hope you enjoy this valuable business tool.

You will receive one hard copy and one electronic version which you can customize.

Mail completed forms to SSAM, 2222 Association Dr. Okemos, MI 48864 or fax to 517-349-3543
