

# YOUR TIAA-CREF ENROLLMENT FORM

## FIRST:

### Make your contribution allocations

We have included information about the accounts or funds that you should refer to when you complete the “Plan Contribution Allocation Administrative Form.” The transfer and withdrawal restrictions of the accounts and funds differ and should be taken into consideration. You may change your allocation at any time.

#### Option A: Choose a TIAA-CREF Lifecycle Fund

Pick the Lifecycle Fund closest to your estimated year of retirement.

#### Option B: Build your own portfolio

Using whole numbers, choose the percentage you want to allocate to each account or fund. The three-digit account and fund numbers and

descriptions are provided with your enrollment form. Write the account or fund number and percentage allocated to each in the appropriate columns. If you are allocating to more than 10 accounts or funds, use a separate page and include your name and Social Security number on it. If your allocation is invalid in any way, your contributions will be automatically invested for you. Upon receiving clarification from you, we will apply all future contributions according to your instructions.

If you need help choosing an allocation, speak to a TIAA-CREF consultant at **800 TIAA-CREF (800 842-2273)** Monday to Friday from 8 a.m. to 10 p.m. (ET) and Saturday from 9 a.m. to 6 p.m. (ET).

## THEN:

### 1 Provide your personal information

Be sure to provide all the information requested. If you do not have a Social Security number, please provide your taxpayer identification number.

#### Important information about procedures for opening a new account

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions, including us, to obtain, verify and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, Social Security number and other information that will allow us to identify you, such as your home telephone number. Until you provide the information we need, we may not be able to open an account or effect any transactions for you.

### 2 Designate your beneficiary(ies)

Your primary beneficiary(ies) will be paid any survivor benefit existing under the contract at your death. If there are no surviving primary beneficiaries, your contingent beneficiary(ies) will receive these benefits. If you are married, provisions under your employer's plan may require you to name your spouse as primary beneficiary for at least a portion of the benefit. You can call a consultant at **800 TIAA-CREF (800 842-2273)** for further information about choosing your beneficiaries.

### 3 Indicate any existing contracts

We are complying with a regulatory requirement in asking that you provide information on existing contracts.

### 4 Indicate your agreement by signing

#### ► Return your enrollment form

Return your enrollment form to your employer's benefits office. You may need to complete a salary reduction agreement with your employer.

### 4 Indicate your agreement by signing

Your employer's plan may offer mutual funds as an investment choice in addition to the TIAA and CREF annuities. All contributions must be remitted under the terms of your employer's plan. Under federal law, distributions before age 59½ or termination of employment may be prohibited, limited, and/or subject to substantial tax penalties. The TIAA and CREF certificates and amounts in any of the mutual funds cannot be assigned.

Your ability to take loans and make transfers and withdrawals may be limited by the terms of your employer's plan. Otherwise, you may transfer among any of the available annuity accounts and mutual funds. Loans are only available from the TIAA Traditional Annuity. Cash withdrawals and transfers from the TIAA Traditional Annuity are not currently subject to a surrender charge. If such a charge is imposed in the future, you would receive three months' advance notice, and the charge would only apply to subsequently remitted premiums including any amounts transferred from CREF accounts, the TIAA Real Estate Account, or the mutual funds after the charge is imposed.

The accumulations in and benefit payments from the CREF accounts, the TIAA Real Estate Account, and the mutual funds are *variable* and *not guaranteed*; they depend on the investment performance of these accounts.

Your beneficiary designation will apply to your TIAA and CREF annuity certificates and to the mutual fund accounts.

**I have read and acknowledge all provisions of this enrollment form.**

**Under penalties of perjury, you certify that the taxpayer identification number shown on this form is your correct Social Security number.**
