Dear Patient,

Welcome to our practice!

*In order to facilitate your first visit to our office, attached is our “intake” paperwork so that you may review and complete prior to your visit. For your convenience you can either fax the completed paper work along with your **insurance card** or you may bring it with you.*

If you have any blood work, hospital records or skin tests, please bring a copy of the results with you.

See the attached list of medications that must be stopped prior to your visit.

*If your insurance plan requires you to have a referral to see a specialist, you must coordinate getting that referral from your primary care physician **prior** to your appointment with us. **All copayments, by contract with the insurance companies, must be paid at the time of your visit.** We reserve the right to charge an additional service charge – currently \$10.00 – for any copayment left unpaid on the date of service. For your convenience, we accept cash, check, credit/debit cards. It is your responsibility as the patient/insured, to be aware of the current terms of your insurance coverage. **Self-pay patients-** Payment is expected at the time of service.*

*We confirm all appointments, so we appreciate a call 24 hours prior to your exam if you will need to cancel or reschedule. **Any appointment not canceled within 24 hours will be subject to a \$25.00 invoice mailed to your home.***

Divorced/Separated parents of minor patients- The parent who consents to the treatment of a minor child is responsible for the service charges related.

With your cooperation and assistance, you should be able to receive all the benefits offered to you and we will be able to concentrate on caring for medical needs.

I understand the office policy stated above and agree to accept responsibility as described above.

PATIENT ELIGIBILITY WAIVER & FINANCIAL RESPONSIBILITY FORM

The purpose of this form is to help our patients understand about medical insurance, eligibility, coverage, our office policy and medical services.

Please review and agree that:

- We render our services on the basis that insurance companies may or may not pay for all, or a portion of our charges.
- Authorizations for medical treatment from your insurance company/doctor do not guarantee full payment for the service.
- Not all insurance companies/third party payers pay for all services, each policy has its own particular stipulations regarding covered services, or amount of coverage.
- All insurance companies state that verification of coverage is not a guarantee of coverage or payment. Actual benefits are determined by your insurance company after a claim is received.
- Patients are personally responsible for Knowing and Understanding their own Insurance Policy, Eligibility and Coverage.
- Patients are responsible for payment of outstanding Deductibles and Co-insurance. Co-payments will be collected at the time of service.
- Patients are financially responsible for payments of all non-authorized procedures and non-covered services.
- Any appointment, including allergy testing, missed or not cancelled more than 24 hours in advance will incur a \$25.00 charge.
- Returned checks are subject to a \$35.00 fee.
- Changes in insurance coverage must be reported to our staff promptly to avoid financial responsibility.
- I understand that should it become necessary to take legal action to collect any outstanding balance after 180 days of non-payment, there will be an **additional 30% late fee** added to my delinquent balance.

The Patient or Patient’s Legal Representative hereby acknowledges that he/she is Eligible for Health Insurance Benefits and Coverage. That in the event of ineligibility for coverage of plan benefits, as well as all non-authorized procedures and non-covered services, he/she understands and agrees to be fully financially responsible for payment of all costs incurred during the delivery of health services, and agrees to pay all charges to the Physician and Practices accordingly.
