## *From the Principal's Pen...*

*Dear Parents and Community Members,*

*The School Board met recently to review the 2015 suite of data and provide directions for future school planning towards improvement. Subsequently, the School Development (planning) Day on Monday of this week was dedicated to deeper data analysis, target setting and eventually, planning towards meeting focus areas for the new school year. The draft Operational Plans will be presented to the School Board at the final meeting for the year on Monday, November 23.*

*Next week our Year Six students head off to camp at Woodman Point with Mr Theedom in command and Ms Northover providing valuable support. This group of students continue to set new benchmarks as the "first" group of students to undertake the challenge of the final year of primary school without the support of Year Sevens. As always, I expect they will not only enjoy the experience but represent our school to a high standard. As our current student leaders prepare for camp, the Year Five group will complete the Leadership program with an excursion to Ern Halliday tomorrow, i.e. Friday, November 13. Elections for the 2016 Student Councillors will be conducted in the following weeks, with House Captains elected early next year.*

## School Crossing

The School Crossing Scheme was introduced to reduce the risk of death and injury to children attending schools near Perth's busy roads. A school crossing supervisor's role is to assist children in safely crossing roads on their way to and from school. Please encourage your children to cross Doveridge Drive and Glengarry Drive where there is a crossing attendant.

## Chaplains Chat

So it's kicking into the summer months, and this tends to be when the City of Stirling provides some great community events for families and parents. I thought I'd take up this space to share a couple of Mum's and Dad's events that are popping up over the next month or so. Both are free events run by Family and Children's Services. The first is 'Fathering Workshops', a free parenting workshops crafted specifically for Dads and it's happening on Wednesday the 11th, 18th and 25th of November. The second one is "Stirling Mother's Connect BBQ", and is an opportunity for families to get to know each other over some food and coastal breeze. That one is happening on the Saturday 5th December at Clarko Reserve, near Trigg Beach.
