FAX: 703-228-2874

Dat Le, Science Fair Director

<p>2013 Northern Virginia Regional Science Fair Society &amp; Organization Release Form</p>
---

Occasionally societies/organizations want to contact students to whom they have awarded prizes. This is usually to confirm attendance at an award event to which the student was invited or to get additional information needed for student membership in a professional society or related journal subscriptions. The Northern Virginia Regional Science and Engineering Fair will release this information, if provided written permission.

Read the following release. Then please sign this form and have your parent/legal guardian sign it. A separate form is needed for each Team member. **RETURN THIS FORM WITH YOUR COMPLETED PROJECT PAPERWORK TO YOUR SCIENCE FAIR DIRECTOR. Submission of this form with the required signatures is mandatory.**

\_\_\_\_\_ You have my permission to release my name, address, and home phone number to the sponsor of any prize I may win at the 2013 Northern Virginia Regional Science and Engineering Fair.

\_\_\_\_\_ You do NOT have my permission to release my name, address, and home phone number to the sponsor of any prize I may win at the 2013 Northern Virginia Regional Science and Engineering Fair.
