Bursaries and Scholarships **NON-REPAYABLE**

Bursaries and scholarships are financial awards made by some universities and colleges to provide additional assistance to their students. The amount offered would be at their discretion.

Students who started their course in academic year 2006/07 or after may be eligible for a bursary or scholarship from their university or college. If you are eligible for a bursary or scholarship from your university or college you will be assessed for this automatically and you will be sent a further form to complete.

Fee Grant NON-REPAYABLE

If you will be studying in Wales and start your course on or after 1 September 2012 you may be eligible for a Fee Grant to cover part of the tuition fee amount charged by the university or college.

The Fee Grant amount is the difference between the maximum Tuition Fee Loan available (£3,575) and the tuition fee being charged by the university or college.

For example;

Tuition fee charged (up to £9,000) - Tuition Fee Loan maximum (£3,575) = Fee Grant entitlement (up to £5,425)

You don't need to apply for a Tuition Fee Loan to receive a Fee Grant. However if you choose not to apply for a Tuition Fee Loan you will need to pay the difference to your university or college.

Your Fee Grant will be paid directly to your university or college in three instalments within the academic year.

You will not be eligible to receive the Fee Grant if you are undertaking a course at a private university or college in Wales.

Information about data sharing for bursary and scholarship purposes

Universities and colleges may offer financial awards such as bursaries or scholarships to their students. To help them administer these awards (i.e. to determine eligibility and entitlement to, and if relevant pay, a bursary or scholarship - 'bursary administration purposes') they will ask the Secretary of State (if your place of study is in England), the Welsh Ministers and your Local Authority (if your place of study is in Wales) and the Department for Employment and Learning and your Education and Library Board (if your place of study is in Northern Ireland) and the Student Loans Company for access to information you provide in connection with this application for student finance (whether on this form or at a later date).

We will share the relevant information with them, unless you indicate that you do not wish us to do so by ticking the box on the Declaration. If you **do not** give consent for us to share this information, the payment of any bursary or scholarship to which you may be entitled will be delayed.

Please contact the university or college if you require further information about their bursaries and scholarships.
