

# OFFSHORE ENERGY14

Your platform for the future

# Sales Brochure

Exhibition and Conference  
28 & 29 October 2014, Amsterdam RAI, The Netherlands

# Introduction

**Offshore Energy addresses the technical, operational and commercial challenges associated with future sector growth. The two-day event includes an exhibition where over 500 supply chain companies will showcase their products and services. Next to that, there is an accompanying conference that covers key topics and solutions for the offshore community.**

Offshore Energy is the fastest growing gathering of offshore industry professionals. Founded in 2008, Offshore Energy has been breaking records year after year. The 6th event in 2013 attracted 9,123 visitors representing 56 nationalities. With more features to be announced and an expected increase in numbers of visitors and exhibitors Offshore Energy 2014 promises to be a must attend event for all offshore professionals.

## Offshore Energy Exhibition & Conference 2014 features:

4 halls with **18,000+** m<sup>2</sup> exhibition floor

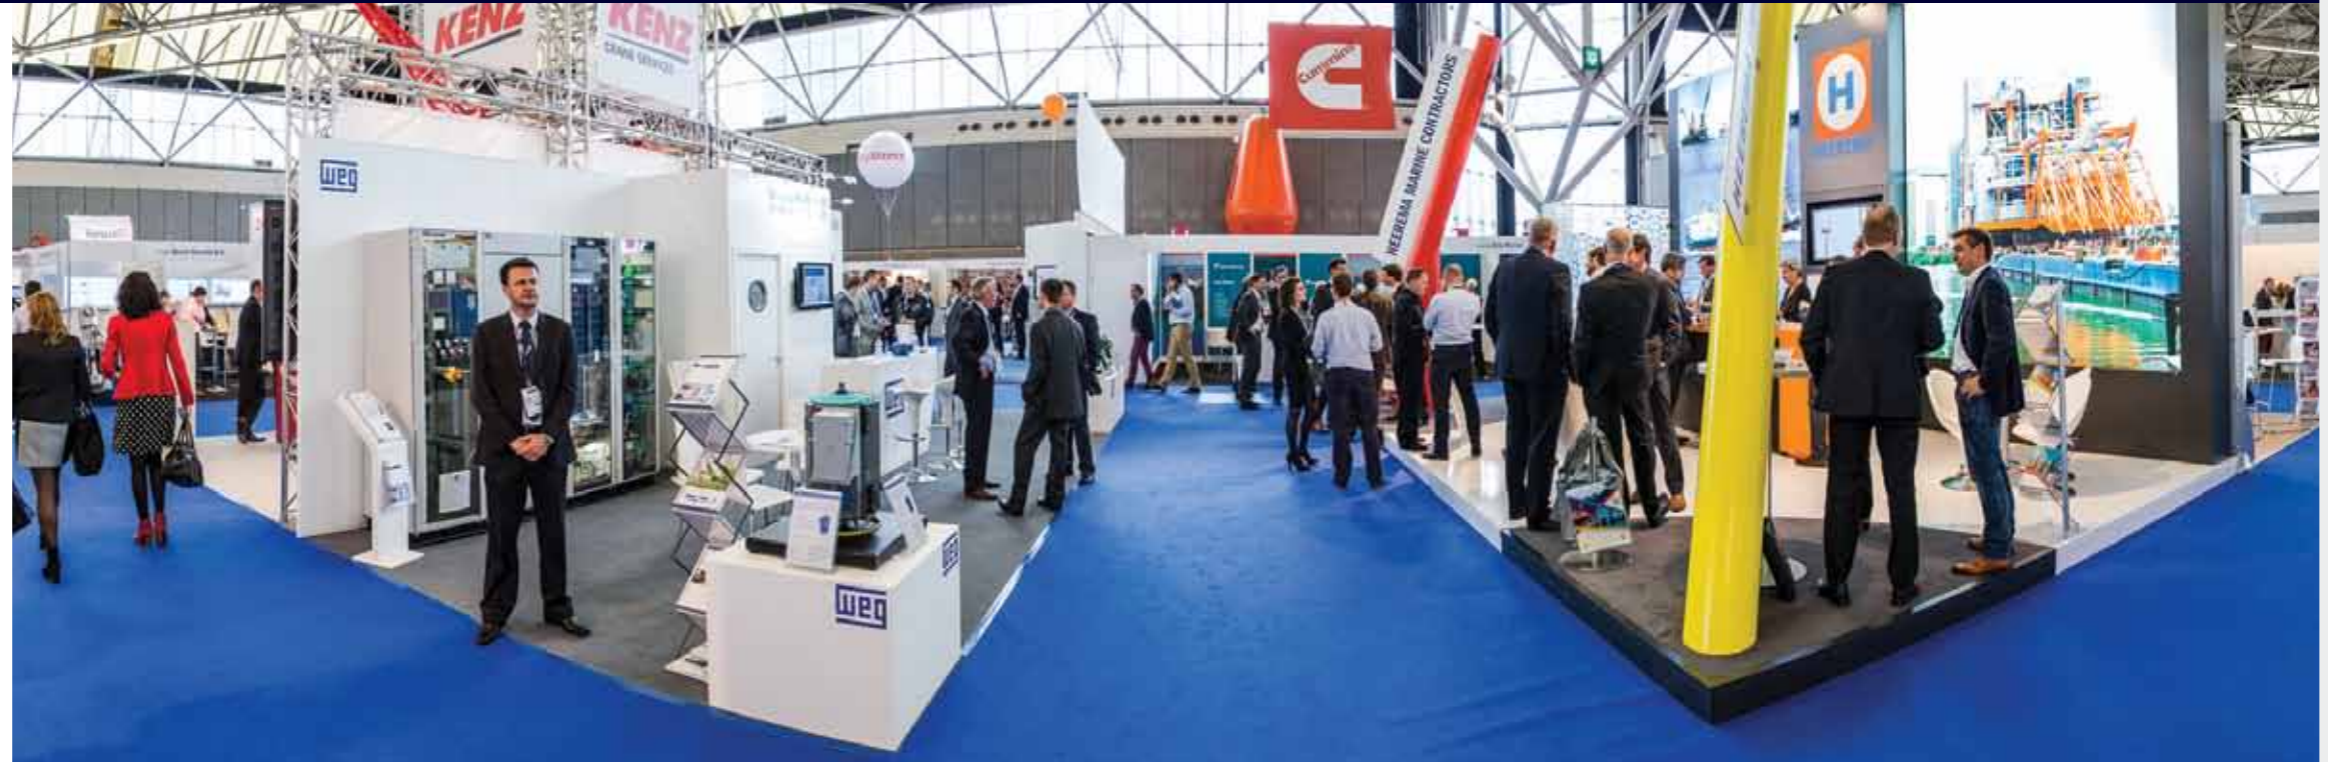

Technical sessions

Panels

Master classes

And much more

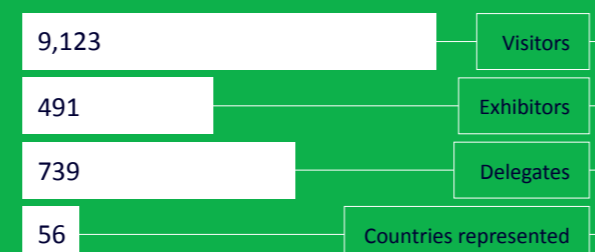

Come benefit from Offshore Energy's expansion. Meet new customers and partners, as well as strengthen your relations with existing clients. Explore best practices and new developments. Whether you are interested in doing business in Europe, looking for European partners or promoting your global presence. Let Offshore Energy be your platform for the future!

## Why exhibit at Offshore Energy?

- Meet new prospects and generate sales leads
- Strengthen your relationships with existing clients
- Introduce new products, services and technologies and raise brand awareness
- Interact face-to-face with the industry's leading players
- Showcase career opportunities to a targeted audience

## 2013 statistics

## Who exhibits at Offshore Energy?

- Drilling
- Well completion
- Dredging
- Pipe laying
- Health
- Safety & environment operations
- Maritime services
- Shipbuilding
- Offshore contracting
- Offshore wind installation
- Subsea design
- Engineering and construction

For a full overview of Offshore Energy 2013 exhibitors' business activities please visit [www.offshore-energy.biz/exhibition](http://www.offshore-energy.biz/exhibition)

## What exhibitors had to say about Offshore Energy 2013

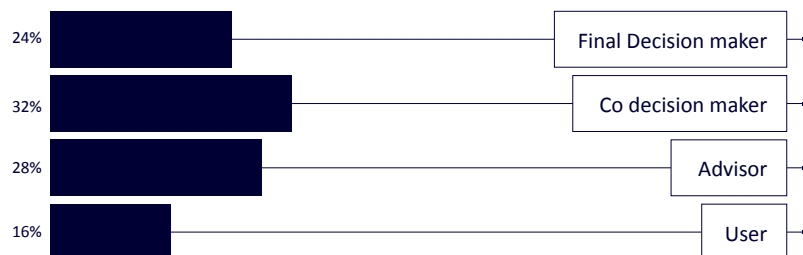

**97%** of the exhibitors will definitely or probably participate again in 2014

**97%** of the exhibitors rated the quality of the visitors as (very) good or excellent

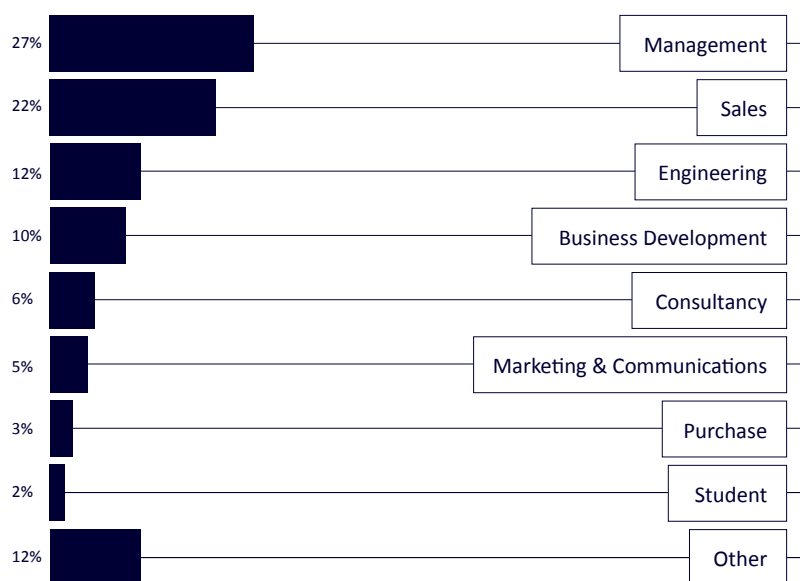

**89%** of the exhibitors found Offshore Energy better than or as good as other offshore energy related exhibitions

# Visitors

## Decision making authority

## Profile

Based on Offshore Energy 2013 registration attendee surveys and registration data

**92%** plans to visit Offshore Energy 2014

**92%** achieved their goals

**35%** considers to exhibit at Offshore Energy 2014

## Top 3 reasons attendees gave for visiting the exhibition

1. Establish and maintain contacts
2. Gain knowledge
3. Explore new products and services

# Exhibition packages

## ◀ Space only

You may rent space and create your own free-build stand. Offshore Energy has large space-only areas available in premium positions.

**Space only is excluding full service package.**

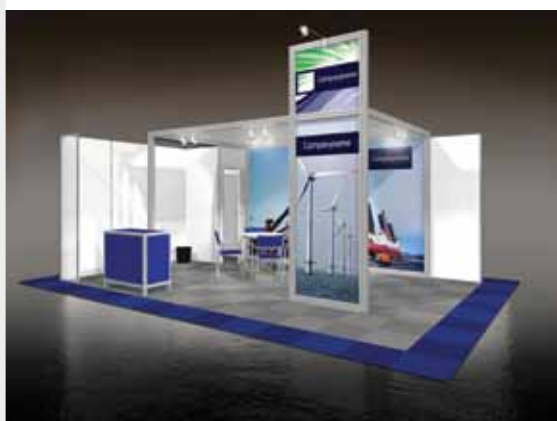

Space only € 299 per m<sup>2</sup>

## ◀ Full service participation with standard stand construction

Make the most of your time and resources and leave the planning to us. Shell scheme stands are available in various sizes. These come with an all inclusive package consisting of: system walls (height 2.50m); anthracite carpet tiles; frieze text and company logo; a minimum of one triple spotlight; power supply socket; power use up to 2kW; complete stand furniture; full catering service; stand cleaning invitation service; Wi-Fi.

Standard stand construction and full service packages start at € 3,750 for two days

## ◀ Full service participation with luxury stand construction

Do you want the ease of standard stand construction but create a distinctive, non-standard look? Offshore Energy also offers luxury stand construction. Luxury stand construction is a supplement to the full service standard construction and is available for stands with a minimum of 20 m<sup>2</sup>. The organization will inform you about the specifications concerning the graphics once your order has been received.

€ 2,495 on top of standard stand construction regardless of size  
(Only in combination with standard stand construction. Minimum of 20m<sup>2</sup>)

## Enhance packages are also available

### Additional options include:

- Corner stand storage 1x1 meter € 185
- Extra meters (only in combination with 32 m<sup>2</sup> stand) € 299 per m<sup>2</sup>
- Stand wall graphics € 79 per m<sup>2</sup>
- Raised floor € 19,50 per m<sup>2</sup>

Co-exhibitor € 495 per co-exhibiting company. Maximum two companies per 12m<sup>2</sup>. Co-exhibiting includes a listing as official exhibitor, an entry in the event catalogue and the company name on the frieze.

4x2 meter (8m <sup>2</sup> )	€ 3,750	6x3 meter (18m <sup>2</sup> )	€ 6,875
6x2 meter (12m <sup>2</sup> )	€ 4,995	6x4 meter (24m <sup>2</sup> )	€ 8,600
4x3 meter (12m <sup>2</sup> )	€ 4,995	8x3 meter (24m <sup>2</sup> )	€ 8,600
4x4 meter (16m <sup>2</sup> )	€ 6,125	8x4 meter (32m <sup>2</sup> )	€ 11,150
8x2 meter (16m <sup>2</sup> )	€ 6,125

# Conference

The Offshore Energy Conference addresses key topics for the offshore community, from innovative technologies to emerging markets and from oil & gas E&P to developments in offshore wind, wave and tidal energy. The two day program consists of high caliber panels, technical sessions, Master Classes and meetings of industry organizations.

## Not just another conference

Since its inception the conference has captured a place in the go to calendar of offshore professionals. Speakers and delegates from all levels and representing the entire upstream value chain gather in Amsterdam to share knowledge, discuss ideas and network.

Past conferences have featured hundreds of speakers including representatives from ABB, Allseas, Baker Hughes, Bluewater, CB&I, Centrica, Ceona, Chevron, Damen, Dana, Decom North Sea, Delft University of Technology, Deloitte, EBN, Fugro, GDF SUEZ Nederland E&P B.V., Heerema, IHC Merwede, Iv-Oil & Gas, Jumbo Offshore, Mammoet, Marin, NAM, Noble Drilling, NOGEPA, PEMEX, Petrobras, Rambøll, Royal HaskoningDHV, SBM Offshore, Schlumberger, Shell, Siemens, Technip, The Carbon Trust, Tideway, TNO, Van Dyke Energy, Wageningen University, Wintershall and many more.

## 87% of conference delegates is involved in decision making

## Call for topics and speakers

Are you interested in speaking? Share your knowledge with a targeted audience of offshore professionals. To submit a proposal, please send an email to Ms. Femke Perlot-Hoogeveen, conference manager at [fh@navingo.com](mailto:fh@navingo.com) by 1 March 2014. Proposals will be reviewed by 30 April 2014. Please feel free to also suggest topics of interest to you in your area of expertise.

## Top 3 reasons delegates gave for participating in the conference

1

### Access to knowledge

Delegates meet with subject matter experts and captains of industry and discuss their experiences and visions for the future with fellow delegates

2

### Making connections

Delegates meet with and forge new relationships with hundreds of offshore professionals

3

### Saving time and money

Think of how long it would take to organize meetings with key industry players. Offshore Energy brings them all together under one roof

## Who attends?

- Business developers
- (Sales) Engineers
- Researchers
- Technicians
- Executives
- Managers
- Consultants
- Educators
- Students
- Governments

## Thank you to our 2013 Conference Sponsors and Partners

**Amsterdam.  
Central.  
International.  
A great reason  
to come to  
Offshore Energy.**

### **Amsterdam a bustling hub of commerce.**

Amsterdam is the capital of The Netherlands. A country that comes with a strong maritime and offshore industry that is well-known around the globe. The history of Amsterdam stretches back to the 13th century. Following the constructions of dams and dikes, Amsterdam developed into a bustling hub of commerce that welcomed other cultures with open arms. The city is now home to more than 780,000 residents from 180 different countries. Amsterdam is one of the most easily accessible cities in the world and can be reached by air, water or land. The city centre is known for its beautiful canals, impressive architecture and great shopping.

Maximum two companies per 12m². The co-exhibitor will be included in the official exhibitor list, in the exhibition catalogue and the company name on the frieze on the stand.

#### Full service participation with luxury stand construction

☐ € 2,495 on top of standard stand construction regardless of size (Only in combination with standard stand construction. Minimum of 20m²).

#### Space only

☐ m² for € 299 per m² (minimum 24m²; depth and frontage in consultation with the organizer).

**Note:** Inside stand dimensions are marginally smaller than stand surface dimensions. The organization reserves the right to slightly alter the size and location of the stand. The maximum building height in the stand is 5 meters, an extra floor on top of the stand is not allowed, stands have inside measurement because of the shell scheme construction. Stand location will be assigned by the organization. The organizer will seek to meet the exhibitor's wishes, but reserves the right to place any exhibitor in the most suitable location.

#### Additional options

- ☐ Corner stand storage 1x1 meter € 185
- ☐ Extra meters (only in combination with 32 m² stand) ☐ m² € 299 per m²
- ☐ Stand wall graphics € 79 per m²
- ☐ Raised floor € 19,50 per m²
- ☐ Outdoor area € 995 fixed costs ☐ m² € 150 per m² Fixed costs not applicable to those with indoor exhibition space.
