

HILLSBOROUGH COMMUNITY COLLEGE FOUNDATION, INC.

Comprehensive Scholarship Application

The Hillsborough Community College Foundation, Inc. is a private, not for profit, support organization which raises funds to provide scholarships to HCC students and to provide general college support. The Foundation scholarships are separate from HCC Institutional Scholarships. Foundation scholarship recipients are selected by a committee of HCC Counselors/Advisors or HCC Program representatives.

The HCC Foundation Comprehensive Scholarship Application will serve as the comprehensive application for all HCC Foundation scholarships. Only one application is required, even if you are asking to be considered for multiple scholarships. Please complete page 2 of this application and provide the additional documentation outlined below. Please understand that you may qualify for more than one scholarship, however, the HCC Foundation may award only one scholarship per person per academic year.

Funding for each scholarship is not always available. Contact your campus scholarship coordinator for a listing of available scholarships. Many Foundation scholarships are based on financial need and all require satisfactory academic progress. A listing of scholarship opportunities and their criteria can be found at the counseling office of your campus or online at: <http://www.hccfl.edu/dao/foundation/student scholarships.html>. This application is also available on the website.

OTHER DOCUMENTATION OR INFORMATION THAT MUST BE PROVIDED WITH APPLICATION:

1) Submit a cover letter or essay with your application (1 page or less)

This should address your personal and educational goals, why you are applying for a scholarship and any additional information that would be helpful to the selection committee, such as your current situation, personal or family background and extracurricular or community activities.

2) State the name of the scholarship(s) for which you wish to be considered and describe how you meet any scholarship-specific criteria and provide any required documentation.

3) HCC transcript. Unofficial transcripts are acceptable

4) Letters of recommendation (2) will be considered, but are not mandatory unless required for a specific scholarship for which you wish to be considered. If you choose to include letters of recommendation, one should be from a teacher/professor and one from an adult who knows you well (not a relative).

Note: Students who seek assistance due to financial need are encouraged to pursue federal and state aid for which they qualify and HCC Institutional scholarships. Visit the financial aid website at <http://www.hccfl.edu/aid/> to determine your eligibility for financial aid and contact the financial aid office at your campus for assistance.
