QUESTIONS AND COMMENTS BY PATRONS OR EMPLOYEES OF THE DISTRICT

V. Norris and M. Pieper – Kingwood Area Quilt Guild Book donation to all elementary campuses.

COMMENTS BY INDIVIDUAL BOARD MEMBERS

The Trustees wished students and staff a great start to a new school year. The Education Foundation Golf Tournament is on September 18, 2008 The Trustees asked that administration develop a plan for visiting area community meetings, offering town hall meetings, PTA /PTO/PTSA meetings, etc., in regards to educating the public on school finance and the upcoming Legislature session which will begin in January, 2009.

COMMENTS BY THE SUPERINTENDENT

Dr. Sconzo stated he is excited to have staff back on campuses and is looking forward to another successful year of tremendous learning. He stated that the 2008-09 school year is going to be a challenging year financially. In January, the new Legislature will meet and we as a district will soon start organizing any and all who want to participate the District Legislative Committee encouraging our legislators to fix the public school funding formula to make it equitable across the state.

Dr. Sconzo recognized Ms. Deborah Yocham thanking her for a great job of managing the many construction projects over the summer.

ACTION ITEMS FROM CLOSED SESSION

Personnel - A motion was made by Dr. Longnion to approve the personnel recommendations as presented by administration with addendum. The motion was seconded by Mr. Cunningham. The motion passed unanimously.

| Title: Tax Rate Adoptio | n | | | | | | |
| Consideration of 200 | 08 Tax Rate | | | | | | |
| Superintendent's Recommendation: The Superintendent recommends that the Board of Trustees approve the attached "Ordinance to Set Tax Rate for 2008" adopting a total tax rate of \$1.52 per \$100 of taxable value (\$1.17 M&O and \$.35 I&S). Background /Impact Information: State law requires the school board to levy and cause to be assessed and collected annual ad valorem taxes for the maintenance of the District Schools (TEC Section 45.002). Chapter 26 of the Property Tax Code requires the school board to calculate the proposed tax rate, the rollback tax rate and other specific information and have those items published in a newspaper in a form in accordance with "Truth-in-Taxation" guidelines. | | | | | | | |
| The Texas Constitution, Property Tax Code, and the Education Code incorporate the concepts of truth-in-taxation that require school districts to comply with certain steps in adopting their tax rates. The laws have two purposes: (1) to make taxpayers aware of tax rate proposals and, (2) to allow taxpayers, in certain circumstances, to roll back or limit a tax increase. | | | | | | | |
| Before a governing body can adopt a tax rate, a number of steps must be taken. The first step was accomplished on June 11, 2008, when the District's 2008 budget and proposed tax rate was published in the local Observer newspaper (Attachment 6). On June 26, 2008, the District held a public meeting to discuss the District's budget and the Humble ISD Board of Trustees approved the budget for the 2008-2009 fiscal year. The next step is the adoption of the tax rate. School districts must adopt their rate by October 1 or 60 days after receiving the certified appraisal roll, whichever date is later. The District received the certified appraisal roll on August 27 th . | | | | | | | |
| State law requires that the | e motion to adopt the tax rate must be | a separate item on the | | | | | |
| 1 | | | | | | | |

Board's agenda. State law also requires the adoption of the tax rate to be done by official action such as an ordinance specifying a maintenance and operations (M&O) tax rate separate from an interest and sinking (debt service) tax rate.

If a school board adopts a tax rate above its rollback tax rate, the school board must hold an election to ratify the adopted tax rate. Humble ISD's proposed tax rate of \$1.52/\$100 of taxable value exceeds the rollback tax rate of \$1.39005/\$100 by \$.12995.

Legislative Changes in 2006

House Bill 1, 79th Legislature, 3rd Called Session, was signed by the Governor on May 31, 2006. The bill contained significant changes regarding property tax administration:

1) Tax Rate Caps: Beginning with the 2006 tax year, school districts at the \$1.50 per \$100 of property value M&O tax rate cap were required to compress their M&O rate by 88.67 percent of the 2005 tax rate, reducing the rate to a maximum of \$1.33005. Districts with an M&O tax rate higher or lower than \$1.50 were also required to compress their rate by 88.67 percent. For the 2007 tax year, districts were required to reduce their M&O tax rate to 66.67 percent of the 2005 tax rate or a maximum of \$1.00005. Beginning in 2006-07, districts also had access to an equalized \$.04 without voter approval. The M&O rate currently caps at \$1.17 and any rate increase over \$1.04005 must have voter approval.

2) Rollback Calculation: The rollback rate is the calculated maximum rate allowed by law without voter approval. The rollback rate for tax year 2007 and subsequent years is currently the lesser of (1) the sum of the current compression percentage times the 2005 M&O rate, plus 4 cents, plus the rate that is equal to the sum of any differences between the adopted tax rate and the rollback tax rate approved by the voters for 2006 and subsequent years, plus the current debt rate OR (2) the sum of the effective M&O tax rate plus the rate equal to the current state compression percentage times .06 (this amounts to 4 cents in 2007), plus the current debt rate. In future years, the commissioner of education may determine a different compression percentage. For the 2008 tax year, the rollback rate for Humble ISD remains at \$1.04005 for maintenance and operations.

3) Effective Rate: The effective tax rate is a calculated rate that would provide the school district with about the same amount of revenue it received in the year before, on properties taxed in both years. For school districts, the effective M&O rate is the rate that when imposed on the current year's taxable value, yields state and local revenue per student equal to the state and local revenue per student for the preceding year. Moreover, this is calculated as the prior year's taxes divided by the current taxable value of properties that were also on the tax roll in the prior year. The District's calculated effective rate for tax year 2008 is \$1.72073.

4) Notices: HB 1 requires school districts to post a summary of the proposed budget concurrently with the publication of the district's Notice of Public meeting to Discuss Budget and Proposed Tax Rate. Districts must post the budget summary on their Internet Website or in the central administration office for districts that do not have a Website.

5) Rollback Elections: If the school board adopts a tax rate above the rollback rate, the school district is required to hold an automatic rollback election. The election date cannot be earlier than 30 days or later than 90 days after the date the school board adopted the tax rate. If a simple majority of the votes cast in the election favor the adopted tax rate, then the adopted tax rate stands. If the voters disapprove the adopted rate, the school district's rollback rate would be the adopted tax rate. Following the election results, the school district

will mail its current year tax bills.

6) Tax Bills: HB 1 requires school district tax assessor-collectors to separate M&O and I&S (Debt) tax rates on school district tax statements.

In accordance with the above requirements and as discussed in previous meetings with the Board of Trustees, there is an increase of \$.13 in the proposed M&O tax rate and an \$.08 increase in the I&S rate as listed below: (The interest and sinking increase of \$.08 was approved by the voters at the bond election held on May 10, 2008.)

| | 2007 | 2008 | Increase |
|----------|---------|---------|----------|
| M&O Rate | \$ 1.04 | \$ 1.17 | \$.13 |
| I&S Rate | .27 | .35 | .08 |
| Total | \$ 1.31 | \$ 1.52 | \$.21 |

The effect of adopting the 2008 tax rate of \$1.52 per \$100 of property value (\$1.17 for M&O and \$.35 for I&S) is expected to generate the following **current** tax revenue for Humble ISD based on District projections:

| Local Maintenance and Operations Taxes | \$112,220,857 |
|--|---------------|
| Debt Service Taxes | \$ 33,570,342 |
| Total | \$145,791,199 |

Additional tax revenues will be collected in the form of interest, penalties and delinquent taxes from prior years.

If the proposed rate of \$1.52 is approved by the Board of Trustees, a rollback election will need to be called by the Board.

Fiscal Impact Statement: If the rollback election is successful, the District is projected to balance the 2008-09 budget (after making budget reductions of approximately \$8.8 million). If the rollback election is unsuccessful, the District will be faced with a deficit budget for 2008-09 of approximately \$16 million. Therefore, the District will immediately implement additional budget reductions in the current fiscal year.

ORDINANCE TO SET TAX RATE FOR 2008 (2008-2009 SCHOOL YEAR)

An ordinance levying an annual ad valorem tax for the year 2008, setting specific tax rates applicable to all real, personal, and mixed property situated within the Humble Independent School District, setting due date and providing for penalties and interest on delinquent taxes.

BE IT ORDAINED by the Board of Trustees of the Humble Independent School District of Harris County, Humble, Texas:

- 1. That an ad valorem tax rate of **\$1.52 per \$100** cash valuation as said values are fixed by the Appraisal Review Board, and the same is hereby levied for tax year 2008 on all real property, personal property, and mixed property located and situated within the confines and boundaries of the Humble Independent School District as of January 1, of this year.
- 2. That the above-specified ad valorem tax rate be distributed as follows:
 - A. **\$1.17** rate for local maintenance and operations (M&O) fund.
 - B. **\$.35** rate for debt service, bonded indebtedness, and interest and sinking (I&S) fund.
- 3. THAT THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE.
- THAT THIS TAX RATE WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$130 OR \$11 PER MONTH.
- 5. Any person failing to pay their taxes on or before January 31, 2009, shall be subject to the maximum penalties thereon allowed by law to be collected on delinquent taxes. All delinquent taxes shall bear interest at the highest per annum interest rate allowed by law to be collected on delinquent taxes and shall bear interest from the date of delinquency until paid.
- 6. Taxes which are due the Humble Independent School District that remain delinquent on July 1st of the tax year in which they become delinquent and taxes that remain delinquent for prior years, on accounts which have been assigned to the Humble Independent School District's delinquent tax attorney on or before July 1st of each tax year, incur an additional penalty of 15% of the amount of taxes, penalty and interest due at the time the taxes, penalty, and interest are paid.

HUMBLE INDEPENDENT SCHOOL DISTRICT

GUIDELINES FOR ADOPTING THE 2008 TAX RATE

Introduction

The Humble ISD Board of Trustees will consider the adoption of a 2008 tax rate at its meeting on September 9, 2008. If the rate adopted by the Board exceeds the rollback rate, an election will be required. After the rollback election, the tax statements will be sent out. 2008 taxes are due and payable when tax statements are issued and will be considered delinquent if not received at the Humble ISD Tax Office before February 1, 2009.

General Guidelines

 The governing body must *publish* the "NOTICE OF PUBLIC MEETING TO DISCUSS BUDGET AND PROPOSED TAX RATE" before adopting an actual tax rate. This notice is to be published in a local newspaper 10 to 30 days before the date the budget is adopted. A quarter-page ad includes a comparison of property tax rates, comparison of property taxes on an average residence, and unencumbered fund balances.

On June 11, 2008, these rates were published in the local Observer newspaper in accordance with state laws governing the publications.

- The governing body must approve an annual budget *before* setting the tax rate. The Humble ISD budget was approved by the Board of Trustees at its meeting on June 26, 2008.
- The governing body is required to adopt its tax rate by September 30 or by the 60th day after the taxing unit receives the certified appraisal roll, whichever date is later. The Harris County Appraisal District delivered the 2008 certified tax roll to Humble ISD Tax Office on August 27, 2008.
- 4. The governing body must adopt the tax rate in a public meeting. State law requires that the:
 - Adoption of the tax rate must be a separate item on the agenda.
 - Adoption of tax rate must be done by official action, such as an ordinance, specifying:
 - Maintenance and Operations Tax Rate
 - Debt Service Tax Rate
- 5. If the taxing unit does not adopt a tax rate which exceeds the rollback tax rate, no special meetings or additional newspaper ads are required before adoption of the tax rate.

If the governing body of a school district **adopts a tax rate that exceeds the district's rollback tax rate**, the registered voters of the district at an election held for that purpose must determine whether to approve the adopted tax rate. The governing body shall order that the election be held in the school district on a date not less than 30 or more than 90 days after the day on which it adopted the tax rate. If a majority of the votes cast in the election for the proposition, the tax rate for the current year is the rate that was adopted by the governing body. If the proposition is not approved, the governing body may not adopt a tax rate for the school district for the current year that exceeds the school district's rollback rate.

Final certified values for these properties will be included in supplemental rolls throughout the 2008 tax year.

HUMBLE INDEPENDENT SCHOOL DISTRICT

Collection of Delinquent Taxes

Current taxes become delinquent on February 1st of each year. The District begins assessing penalties and interest at that time according to the following schedule:

| | Penalty % | Interest % | <u>Total</u> |
|----------|-----------|------------|--------------|
| February | 6% | 1% | 7% |
| March | 7% | 2% | 9% |
| April | 8% | 3% | 11% |
| May | 9% | 4% | 13% |
| June | 10% | 5% | 15% |

Taxpayers with delinquent taxes are notified in May that unpaid accounts will be submitted to the tax attorneys for enforcement of collection if they are not paid by July 1st. The May notice, also, informs them that an additional 15% collection fee will be added as of July 1st on all unpaid accounts. On July 1st, taxes that remain delinquent are turned over to the delinquent tax attorneys to enforce collection. At this time the penalty increases to 12% while the interest percentage continues to increase by 1% per month plus the 15% collection fee. (For example, an unpaid account as of July 1st would incur a penalty of 12%, interest of 6% and a collection fee of 15% on the sum of unpaid levy, penalty and interest.)

NOTICE OF PUBLIC MEETING TO DISCUSS BUDGET AND PROPOSED TAX RATE

The Humble Independent School District will hold a public meeting at 6:00 PM, June 26, 2008 in Humble ISD Board Room of the Administration Building, located at 20200 Eastway Village Drive, Humble, Texas. The purpose of this meeting is to discuss the school district's budget that will determine the tax rate that will be adopted. Public participation in the discussion is invited.

The tax rate that is ultimately adopted at this meeting or at a separate meeting at a later date may not exceed the proposed rate shown below unless the district publishes a revised notice containing the same information and comparisons set out below and holds another public meeting to discuss the revised notice.

| Background /Impact Infor | mation: | , | | | | |
| Section 26.08 a-d of the Texas Property Tax Code states, "If the governing body of a school district adopts a tax rate that exceeds the district's rollback tax rate, the registered voters of the district at an election held for that purpose must determine whether to approve the adopted tax rateThe governing body shall order that the election be held in the school district on a date not less than 30 or more than 90 days after the day on which it adopted the tax rateIf a majority of the votes cast in the election favor the proposition, the tax rate for the current year is the rate that was adopted by the governing body. If the proposition is not approved as provided by Subsection (c), the governing body may not adopt a tax rate. | | | | | | |
| The District has adopted an ad valorem tax rate of \$1.52 per \$100 valuation for the 2008 tax year (\$1.17 for Maintenance & Operations and \$.35 for Debt Service). The maintenance tax rate per \$100 of taxable value adopted by the District may not exceed the rate equal to the sum of \$0.17 and the product of the state compression percentage, as determined under Education Code 42.2516, multiplied by \$1.50. The maximum maintenance rate per \$100 of taxable value is \$1.17. The rollback rate for maintenance & operations is \$1.04005. | | | | | | |
| Fiscal Impact Statement: If the rollback election is successful, the District is projected to balance the 2008-09 budget (after making budget reductions of approximately \$8.8 million). If the rollback election is unsuccessful, the District will be faced with a deficit budget for 2008-09 | | | | | | |

Linda Moore is hereby appointed tabulation supervisor of the Central Counting Station and Dyane Richards is hereby appointed alternate tabulation supervisor of the Central Counting Station. Peggy Young is hereby appointed manager of the Central Counting Station. They shall also serve as the Early Ballot Board.

Each presiding judge shall appoint as many clerks as are deemed necessary for the proper conduct of the election provided that such number of clerks in each election location shall be at least two and not more than eight. In the event that a designated person is not able to serve as an Election Judge, Peggy Young, Secretary to the Board, is authorized to appoint a replacement with such appointment to be ratified by the Board of Trustees at the meeting at which election results are canvassed.

SECTION 3: Early voting shall be conducted in The City of Humble, Council Chamber at 114 W. Higgins Street, Humble, Texas, at the Humble ISD Administration Building, 20200 Eastway Village, Humble, Texas and also at the Instructional Support

Center at 4810 Magnolia Cove Drive, Kingwood, Texas. Mailing address to which ballot applications and ballots voted by mail should be sent to Peggy Young, Humble ISD, P.O. Box 2000, Humble Texas, 77347. The deadline to submit applications for ballots by mail is November 14, 2008. During the early voting period of Wednesday, November 5, 2008 through Tuesday, November 18, 2008 the early voting clerks shall keep said office open for early voting Wednesday, November 5, 2008 through Friday, November 14, 2008 from 8:00 a.m. through 5:00 p.m. and on Monday, November 17, 2008 and Tuesday, November 18, 2008 from 7:00 a.m. to 7:00 p.m. All early voted ballots shall be delivered to the Central Counting Station by a special canvassing board consisting of the Early Voting Judges and appointed clerks.

SECTION 4: The official ballots for said election shall be prepared in accordance with the Texas Election Code and shall have printed thereon "OFFICIAL BALLOT, HUMBLE INDEPENDENT SCHOOL DISTRICT, HUMBLE, TEXAS, TAX RATE ROLLBACK ELECTION."

All election materials, including notice of the election, ballots, instruction cards, affidavit and other forms which voters may be required to sign, and all early voting materials shall be printed in English, Spanish and Vietnamese or Spanish and Vietnamese translations thereof shall be made available in the circumstances permitted and in the manner required by law.

<u>SECTION 5:</u> Said election shall be held in accordance with the Texas Election Code except as modified by the Texas Education Code.

SECTION 6: The Secretary of the Board of Trustees shall forthwith issue Notice of said election by causing a substantial copy of this order to be published one time, at least ten days, but not earlier than the 30th day, prior to the date set for said election, in a newspaper of general circulation in said District, and shall forthwith post at each polling place in said District copy of this order, such posting to be done not less than 21 days prior to the date set for said election.

SECTION 7: Immediately after said election, the officers holding the same shall deliver the voted ballots to the presiding judge of the Central Counting Station and shall deliver all election supplies and records to the proper authority designated by law to receive them. The presiding judge of the Central Counting Station shall make written returns of the election for use in official canvass to the President of the Board of Trustees, who shall safely keep them and deliver the same to the Board of Trustees at its next meeting; and then the Board of Trustees shall canvass said returns and declare the results of said election.

SECTION 8: Upon canvass of the returns by the Board of Trustees, if a majority of the votes cast in the election favor the proposition, the tax rate for the current year is the rate that was adopted by the governing body.

PASSED AND APPROVED, this the 9th day of September, 2008.

President, Board of Trustees Humble Independent School District

ATTEST:

Secretary, Board of Trustees Humble Independent School District

Background/Impact Information: The District has employed Facilitated ARD Committee Meetings as a strategy to increase collaboration and communication among the members of the ARD Committee. Since the last formal Facilitated ARD Committee training, the District has added several campus administrators. To ensure that all administrators are equipped with the necessary skills and tools in a method of reaching consensus under difficult circumstances, 25 new administrators will be trained in these consensus building and facilitation strategies. These strategies can be employed in many circumstances other than ARD Committee Meetings. | | | | | | |
| Further, 25 administrators will be trained in conflict resolution. By building capacity for these employees, the District believes that better communication between staff and parents can be achieved and employees will feel better equipped to meet the challenges they face in their positions. | | | | | | |

| Consideration of Petit | ions for Refunds in Excess of \$50 | 0 | | |
| | ommendation: The Superintende the petitions for tax refunds. | ent recommen | ds that the | |
| Background /Impact Infor | | | | |
| The Texas Property Tax Code, Section 31.11(c) states "If a taxpayer applies to the tax collector of a taxing unit for a refund of an overpayment or erroneous payment of taxes and the auditor for the unit determines that the payment was erroneous or excessive, the tax collector shall refund the amount of the excessive or erroneous payment from available current tax collections or from funds appropriated by the unit for making refunds. However, the collector may not make the refund unless: (1) in the case of a collector who collects taxes for one taxing unit, the governing body of the taxing unit also determines that the payment was erroneous or excessive and approves the refund if the amount of the refund exceeds:(B) \$500 for a refund to be paid by any other taxing unit;An application for a refund must be made within three years after the date of the payment or the taxpayer waives the right to the refund." Detailed information and rationale for each correction or refund has been documented in the attachment. | | | | |
| If the Board approves this consideration, Humble ISD will be in compliance with the Texas Property Tax Code. If the Board does not approve this consideration, the District will not be in compliance. | | | | |
| If approved, the total effect of the refund(s) will result in a reduction of total collections received of \$28,496.85. Overpayments are recorded as a liability on the general ledger upon receipt and, therefore, do not cause a decrease in recorded revenue when refunded. | | | | |

| Background /Impact Infor | mation: | | |
| Section 1.08, Timeliness of Action by Mail and Section 33.011, Waiver of Penalty and Interest, of the Texas Property Tax Code, provide conditions for timely payments and waiver of penalties and interest. | | | |
| The taxpayers on the attached schedule have provided satisfactory evidence to meet the requirements of these sections of the Property Tax Code. Documentation is available for review in the tax office. | | | |
| If the Board approves the recommendation to grant this waiver of penalty and interest, Humble ISD will be in compliance with the Texas Property Tax Code (as well as consistent with treatment of previous requests of this nature). If the Board does not approve the recommendation to grant the request for waiver of penalty and interest, the District will not be in compliance. If approved, the total effect of the request for waiver of penalty and interest results in a loss of \$1,621.61. | | | |

| During the next six months the District will be reviewing the Health Care, Dental, Vision, Disability, Life and other programs currently in place as well as how these programs are administered either by external administrators or as an internal function by the Risk and Benefits Department. During recent years the District and our employees have experienced significant increases in our costs in this area. The primary goal will be to reverse this trend seeking more cost effective ways to provide benefits to our employees, offer more options in terms of plan designs, and review our internal processes to determine if outsourcing the administration/management of certain programs would be more cost effective. | | | | | | | |

Following those an Employee Benefits Cons | alizing the magnitude of this project and the potential impact to the District and emp District had discussions with the Board Finance Committee about selecting an Em hefits Consultant to assist the District in their review of programs, products and inte ctions. Following those discussions, the District issued a Request for Proposal (RF Employee Benefits Consultant on August 8, 2008. The due date for response was ¹ . The District is in the process of reviewing proposals and will schedule interviews | | | | | | |

| Based on the requirements of the RFP, the District hopes to appoint a consultant who is capable of assisting the District in devising long term strategies for our benefit programs, providing insight into current market trends relating to both insurers and their products, and devising specific programs to eliminate or reduce the cost of programs to the District and employees. The initial project is expected to begin in late October with a presentation to the Board of Trustees at the end of March or early April. Following the approval of the new benefit programs, the Consultant will assist the District in the communication and enrollment process with District employees. Additionally, it is anticipated that the Consultant will continue to monitor financial trends in the programs and offer benchmarking and other performance measurement tools to assist the District in managing ongoing costs. Humble Independent School District Investment Report - Glossary August 31, 2008

- BA Banker's Acceptances are short-term, noninterest-bearing notes sold at a discount and redeemed by the accepting banks at maturity for face value. Banker's acceptances generally are created based on a letter of credit issued in a foreign trade transaction. Banker's acceptances are essentially checks. They represent a bank's promise and ability to pay the face or principal amount on the banker's acceptance on the stipulated maturity date. Maturities for banker's acceptances are generally less than three months. Any banker's acceptance purchased by a public entity must have a stated maturity of 270 days or less, must be accepted by a bank organized and existing under federal law, and the short-term obligations of the bank must be rated not less than A1/P1. Similar to a treasury bill, a banker's acceptance typically does not have a coupon, is issued at a discount, and matures at par (face) value.
- **CP** <u>Commercial Paper</u>, an unsecured promissory note issued by a corporation with a fixed maturity of no more than 270 days. Most commercial paper is non-interest bearing and sold at a discount from par.
- **FFCB** Federal Farm Credit Bank System provides credit and related services to farmers, ranchers, producers and harvesters of aquatic products, farm related businesses, agricultural cooperatives and rural utilities. FFCB System institutions are federally chartered under the Farm Credit Act of 1971 and are subject to regulation by a federal agency, the Farm Credit Administration.
- FHLBFederal Home Loan BankSystem, established in 1932, includes twelve Federal Home Loan
Banks and their member institutions. The Federal Home Loan Banks are instrumentalities
of the United States and operate under the supervision on the Federal Housing Finance
Board.
- FHLMCFederal Home Loan Mortgage Corporation (Freddie Mac) is a publicly held government
sponsored enterprise created pursuant to the Federal Home Loan Mortgage Corporation
Act of 1970. Freddie Mac's statutory mission is to provide stability in the secondary
market for home mortgages, to respond appropriately to the private capital market and
to provide on going assistance to the home mortgage secondary market.
- FNMAFederal National Mortgage Association (Fannie Mae), a federally chartered and stockholder
owned corporation, is the largest investor in home mortgages in the United States.
FNMA provides funds to the mortgage market by purchasing mortgage loans from lenders.
FNMA was originally incorporated in 1938 as a wholly owned government corporation
but the Housing and Development Act of 1968 changed FNMA to a federally chartered

corporation.

- GIC <u>A Guaranteed Investment Contract</u> is a fixed-rate, fixed-maturity contract that is similar to a bond. However, unlike a bond, a GIC is always valued at par (face) value. This occurs because the company issuing the GIC usually is an insurance company that guarantees the investment by agreeing to pay the difference between the market value and the book value for the issue if the investor decides to sell it. A guaranteed investment contract may be structured in a manner similar to a flexible repurchase agreement, whereby the investor is able to draw down the balance upon written request throughout the life of the contract.
- MARKETMarket Value is the current value of a security, which is determined by multiplying itsVALUEpar (face) value by the current market price. The unrealized gain or loss on a security
can be calculated by subtracting the book value from the market value.

PURCHASE The date of the initial purchase / investment.

DATE

- **MATURITY** The date when the principal amount of a security or debt becomes due and payable. **DATE**
- MMMF Money Market Mutual Funds are a specific type of mutual fund that invests only in money market instruments (i.e., short-term debt instruments such as treasury bills, commercial paper, banker's acceptances, repurchase agreements, and federal funds) as defined and registered with the Securities and Exchange Commission. Money market mutual funds are regulated by the Investment Company Act of 1940 as 2a-7 funds. They strive to maintain a \$1 net asset value (NAV) for participants. There are three types of money market mutual funds: treasury, governmental and prime. Money market mutual funds are designed to provide both safety and liquidity.
- **REPO** <u>A Repurchase Agreement</u> is an investment agreement involving the purchase of a security with a simultaneous agreement to repurchase that security at a specified price and date. Repurchase agreements may be used to earn income on idle cash at or near the federal funds market rate. A holder of securities sells them to an investor with a repurchase agreement. The buyer is in effect lending the seller money for the period of the agreement. The terms of the repurchase agreement are structured to compensate the buyer. Dealers often use repurchase agreements to finance their positions. The exception occurs when the Fed is said to be doing repurchase agreements, in this instance it is lending money, i.e., increasing bank reserves. Repurchase agreement should always be governed by an executed <u>PSA</u> Master Repurchase Agreement between the investor and the dealer to reduce collateral risk.

- SLMA <u>Student Loan Marketing Association</u> (Sallie Mae) is a stockholder-owned corporation established by an Act of Congress in 1972. Sallie Mae is the largest source of financing and servicing for education loans in the U.S.
- SLGS State and Local Government Series securities are generally used in escrow accounts for advanced refund of bond issues and for certain other funds. Yield is restricted by the Internal Revenue Service's arbitrage regulations. SLGS are non-marketable securities issued by the U.S. Treasury directly to the issuer as a tool to manage yield-restricted bond proceeds. The interest rate on SLGS is selected by the purchaser (e.g., school district) based upon a maximum rate scale published daily by the U.S. Treasury. This allows the purchaser to structure an overall rate of return on the escrow that is less than or equal to the yield on the bond issue so that there is no violation of arbitrage restrictions. The most frequent use of SLGS is in advance refunding transactions in which the yield on the escrow being created to defease old bonds must not be greater than the yield on the refunding bonds sold to fund the escrow. By using SLGS, the bond issuer can structure an optimal structure in an escrow that yields less than the bond yield.

| Background /Impact Information: Humble ISD's award with Bio-Land Landscape, Inc. for mowing services ended June 30, 2008. The intent of the District was to procure these services after June 30, 2008 through a cooperative purchasing agreement. The cooperative purchasing agreement for these services was not available until September 2008. In order to maintain proper care of District grounds, Humble ISD elected to extend the agreement with Bio Landscape, Inc. to provide mowing services for July and August 2008. Because the services for July and August 2008 exceeded the \$25,000 threshold set forth in policy CH (Local), the Board is asked to ratify this selection. Beginning September 2008, these services are covered under a cooperative purchasing agreement with Harris County Department of Education. | | | | | | | |
