

Carrollton City School System

Bring Your Own Device Acceptable Use Protocol

The Carrollton City School System is committed to moving students and staff forward in a 21st Century learning environment. As part of this plan, Carrollton City School System allows students and staff to access the system's wireless network using their own technology devices (laptops, Smart Phones, iPads, etc.) during the learning day. With classroom teacher approval, students may use their own devices in the classroom to access and save information from the Internet, communicate with other learners and use the productivity tools loaded on their devices.

You may review the Student Acceptable Use and BYOD Protocols at www.carrolltoncityschools.net. If you agree to allow your child to bring his/her own device for use in the classroom, please complete the information below and return it to his/her teacher.

As a participant in the Carrollton City School System Bring Your Own Device initiative, I hereby agree to comply with the stated BYOD Acceptable Use Protocol. I have read and understand the terms and conditions stated in the protocol, and I agree to the consequences if I violate them.

Student Signature: _____ Date: _____

Parent/Guardian Signature: _____ Date: _____

My student will be utilizing the following device:

Type of Device: _____

Model: _____

Serial Number of Device: _____
