

SCIENCE OLYMPIAD 2014 STUDENT SIGN UP SHEET

I am excited that you are interested in participating in the RMS Science Olympiad Team this year. Please return forms to Mrs. Zendo in the main office or bring them to the meeting on Sunday.

Parent participation is essential to our success and welcome. Please strongly consider taking up events that you can get parental input and support. Most of the preparation is done independently at home. Once you have been assigned the events, you will be given copies of the event specification sheets. You must follow the rules stated in the sheets. You will find important links for the events at: www.soinc.org
