Final Declaration

I agree to:

1. the General Medical Council (GMC) making any other enquiries it considers appropriate to establish my fitness to practise
2. the GMC, their representatives, and any other agent that the GMC ask to carry out checks on its behalf, making any necessary checks to verify the information I have given
3. enquiries being made before and while I am registered, including enquiries overseas which may involve the transfer of my personal data outside the European Economic Area
4. the recipient of any enquiries providing the information requested
5. my personal data being given to my referees, government bodies and other third parties as may be reasonable necessary

The information I provide in my application is correct and true.

I understand that if I have made a false declaration, or provided false information or documents to support my application, the GMC may withhold or remove my registration and licence to practise and report the matter to the police.

I understand that to protect the public, the GMC may share my registration and licensing information with UK and international regulators and law enforcement organisations.

I understand that if my application is granted my name will be entered onto the Specialist Register or the GP Register as appropriate.

I have read [Good medical practice](#) and understand my actions may be judged against the standards and principles it contains.

I have in place, or will have in place, at the point at which I practise in the UK, insurance or indemnity arrangements appropriate to the areas of my practice

I confirm I agree with the statements in the Final Declaration
