Congratulations on the milestone achievement of your high school academic career, graduating from the North Carolina School of Science and Mathematics. Perhaps this event is one you will want to preserve years to come and also share with family members who are unable to attend the 2012 NCSSM Commencement. Each year we record the ceremony and offer it at a cost of \$25.00, which includes shipping and handling. The program will be offered only in a DVD format.

Copies can be ordered in advance or on the day of the event. The professionally produced video includes select segments of the campus, plus individual footage of each classmate.

To order a copy of the 2012 Commencement DVD, please complete and detach the form below and return to:
