Young Lawyers Representative and two new Executive Committee positions.*

Our current office holders who are prepared to stand for re election are :

***President – Philip Coster

Deborah Chee has faithfully served as Treasurer/Secretary in 2010 and as Secretary for several years prior for which we sincerely thank her. Regrettably Deborah has decided not to stand for re-election this year and it is therefore proposed to return to separate Treasurer and Secretary roles in 2011.

In 2011 there will be 2 additional positions on the Executive Committee to work on general and/or specific tasks and projects. These may include policy determination and assisting with input to the Law Society. These opportunities would appeal to those seeking to contribute to decisions which influence the future direction of the profession.

*Therefore nominations are invited for the **Secretary** and also the **Treasurer** roles, and for the **2 additional Executive Committee** positions.*

Please contact Philip Coster on 9960-3888 should you wish to obtain more detail as to what might be involved.
