Helpful Home Energy Info. on DOE Website

Find fall and winter energy-saving tips, home weatherization guidance and lighting tips, and evaluate energy usage in your home at the Department of Energy's website at www.energy.gov. Use the Search box on the home page and type in 'Energy Savers Guide' to download a wealth of information on ways to save on home energy expenses.

CU Offers Reduced-cost Energy Audits

Centennial Utilities is committed to helping customers save energy in their homes. That is why we are offering energy audits, a \$125 value, for only \$25.

A state certified auditor will conduct a comprehensive inspection and will then provide you with a prioritized list of recommendations, a cost savings analysis for suggested improvements, and an analysis of your energy bill. The auditor will also answer any questions you may have regarding energy savings in your home.

To request an energy audit, please call Centennial Utilities at **763-784-6751**. *Centennial Utilities contracts with St. Paul Neighborhood Energy Consortium (SPNEC) to conduct the energy audits.*

Easy, Fast and Secure, Pay Your Utility Bill Online

Centennial Utilities customers can now pay their utility bill online. Simply go to www.CentennialUtilities.com and click on "Online Utility Payment" to begin the process of registering and making or scheduling payments. You may also view payment history, print receipts and more.

Granny's Closet Donations Accepted Through January

Granny's Christmas Closet donations for seniors will be accepted at Centennial Utilities and Circle Pines offices until January 31, 2013. Acceptable items include new clothing

such as comfortable daywear, nightwear, slippers, socks, mittens and hats.

HeatShare Program Provides Winter Heating Assistance to Needy

Help warm the lives of the elderly, disabled and others this winter with HeatShare. HeatShare is a voluntary program administered by The Salvation Army. It helps the needy survive our long winter by providing funds for heating bills and heating-related repairs.

Businesses as well as your neighbors, friends in big and small towns, all help with HeatShare. You can help too, by sending a tax-deductible contribution with the form below. HeatShare is a small way to help in a big way.

Who is eligible for HeatShare?

- Senior citizens 55 years of age or older with low, fixed incomes and no alternate source of help;
- Disabled persons whose physical capabilities or health problem limit their ability to maintain income to cover energy bills adequately;
- Persons who have had an unexpected emergency within the last 12 months, and as a result of the emergency, cannot pay energy costs;
- Persons who meet income guidelines and have received or applied for all other possible public funds.

If you're interested in contributing, submit a check payable to HeatShare, fill out the form below and return both with your utility payment. You may also donate online at thesalarmy.org/serv/heatshare.htm.

Yes, I want to contribute to HeatShare

I am making a one-time contribution of: \$ _____

Name _____

Address _____

City/State/Zip _____

Signature _____

Date _____

*Please make check payable to **HeatShare**, enclose with this form and mail with utility payment.*

Thank you for your generous contribution.
