The purpose of this event is to raise funds to benefit the Autism Society of El Paso. We are a non-profit organization working to promote and advocate for the general welfare of people of all ages with autism in our community for the past 19 years. We are also the only nationally affiliated group in El Paso. Our goals include: increasing and improving public awareness; providing information, support, and referral services for parents and professionals; promoting the appropriate care, education, treatment, and training of people with autism; as well as providing education to parents of children with autism and other related disorders. The Autism Society of El Paso offers monthly meetings and an annual conference with nationally known experts in the field of autism presenting their latest findings and best practices.
