POTENTATE'S MESSAGE

Greetings ALL!!

First off I would like to thank everyone who attended my Potentate Ball on January 26th & 27th. Everyone that I talked to thought it was a great time.

Thank you Mr. Matt Buckley, you once again did yourself on the hospitality room. And thank you to everyone who helped put the entire weekend together.

As you know Mother Nature tried to ruin it somewhat in her own way but she was a little late in doing so.

Once again Thank You to everyone who attended and to those who didn't, well, your loss.

Now looking forward to the Club & Unit meeting in Hills, IA. (I know it will already have passed when this is published). I know that Don Courter has a fantastic program lined up.

For you newer Nobles out there a little FYI. Your officers (Divan) have a meeting every month before the stated meeting, generally the Monday before, and you are always welcome to attend. Even though you are not allowed to vote, your thoughts and ideas are always welcome.

Just remember it's all the kids and.....
 "Together we can get it done"

CHIEF RABBAN'S COMMENTS

Nobles & Ladies

I'll Sir Bill Juhl has completed his 2nd and final term as Potentate of Kaaba. Be sure to Thank him for that when you see him. His attention and energies are now focused on the Iowa Shrine Bowl. In 2014 Kaaba will be the Host Temple for that event and It is not to early to start planning.

A few weeks ago I was installed as the Chief Rabban for Kaaba and I Thank the Nobles for electing me to that position. Let me never forget that I work for you and I will do my best to live up to the faith and confidence that you have placed in me.

This year will be very busy as we have much work to do. Along with our major fund raising projects of the Circus, Onion Sales, the Gun Raffle and The John Deere Classic Golf Tournament we are going to have some smaller projects. Examples would be candy sales, bake sales, white elephant sales, small raffles and of course Shrine Days. Clubs and units can have a lot of fun with these kinds of things and also make money. It is not necessary for every fund raising project to make thousands of dollars. Then of course there are parades and membership. More parades mean more fun and more members can mean no dues increases. Ideas for projects are many but the key for success are the Nobles that do the work. I will help in anyway that I can. Just give me a call at 563-370-5414.

Thanks to everyone that attended the Club & Unit meeting at Hills Community Center. The goal was to put out as much useful information in a short and organized manner as possible. If you can go back to your club or unit with just one idea that betters your club or unit then the goal was achieved.

When we became a Mason we all had to ask a Mason. As a Shriner we can ask a new Master Mason to become a Noble. Just think about the advantage that gives us. Let's start asking now and have a very large Spring Ceremonial.

Yours In Faith
 Don Courter
 Chief Rabban

Message from The Assistant Rabban

Greetings Nobles and Ladies :

Once again , as I write this , we find Mother Nature playing games with us . It seems as if this winter has been a series of roller coaster rides . But we really can't complain since we haven't had any seriously deep snow falls or huge ice storms . I'm knocking on wood as I type this . I certainly hope that I didn't place a jinx on us .

I hope everyone is avoiding that nasty flu bug that is going around with a vengeance . I was down and out for a couple weeks with some strain of it . I apologize for missing the January stated meeting and installation . I know how contagious this flu is and just didn't want to pass it on to everyone else .

I'm back to my " normal " self now and looking forward to getting back to attending club meetings and other Shrine and Blue Lodge functions .

My lady , Kathy , did end up under the weather and was unable to accompany me to Illustrious Sir Roger and Lady Sheryl's ball on the weekend of January 26th . It was a unique and welcome change from a typical formal ball . It was great seeing so many old friends again , as well as meeting some new folks . I think everyone had a really good time over at the comedy show . The breakfast was also a blast and I think everyone enjoyed the Potentate's Roast . Just remember Who's your Potentate !

The Club and Units meeting was held on 2/2 with only 32 nobles in attendance . Personally , I was disappointed with the turn out . This is a perfect opportunity to hear lots of new information as well as pick up on some stuff that you may have forgotten . Chief Rabban Don Courter did a great job of facilitating the meeting and keeping everyone on track .

I'm going to make this article rather short this time . I hope your team won the Super Bowl . I'm still holding out that Dallas will win . At least the Cowboys and I had something in common . We all just watched the game . My Lady Kathy is a Green Bay Packer fan , so football season is interesting at our house .

In closing , remember that if you need anything or have a question , just give us a call or send us an email ! My contact info is in your calendar book .

Yours in the Faith

DAVID DORBECK MEMORIAL**Kaaba Shriner of the Year Award****Congratulations****Noble Matthew Buckley the recipient****of****The 2012 Kaaba Shriner of the Year**

Message from The High Priest & Prophet

With the start of the new year I would like to thank everyone for your vote of confidence with my election to High Priest and Profit. My lady, Linda, and I will be getting around to more clubs and activities during this year.

As members of KAABA Temple we all will looking forward to a new season of activities. Now is the time to think about what you will be doing for the Shriners Hospitals and the children that we as Nobles support. Is it in fun activities, like onions sales, John Deer Classic, and circus support. Selling adds for the coloring book would support the hospitals, our temple and your clubs. If you don't belong to a club or unit, look into joining one, is never a bad thing. I challenge ever noble to participate in at least one club or activity this year.

Kaaba has many activities upcoming. CSSA in Cedar Rapids in March, Imperial in Indianapolis IN. in July. Also in July the John Deer Classic, We will be needing a lot of help there. I have been talking to a lot of different individuals and they are looking forward to helping again this year. Will you be one on the many individuals that help out this year? After many year Illustrious Sir Dave Glanz has step down and Noble Pat Phelan has taken over, he is in need of assistances. If you have the time please call him and volunteer. Your help will be much appreciated.

We as Shriners ended last year with a positive gain in membership, but as we all know the black camel continues his journey. So we must keep looking for new Nobles to replace those who have gone to there rewards. When does one look, you ask. Your blue lodge. If you are not evolved I strongly urge you to refine your place with in your blue lodges.

Some food for thought. What is the Uniterversial Emonation? Would you guess "Anger, Happiness, Sadness, Joy", Some of the best mines that we have today agree that it is "PAIN". I encourage you to set your "Soul on Fire" for the good of missionary. Don't let your "I cant, I won't, I don't feel like doing it, be your guiding light, change your negative to positivity's with "I can, I will, and I shall. With your help we all will become better masons and Shriners. Don't let saying put you down, "No pain , no gain". What about "winner never quit and quitter never win", The one which bother me is "it's not what you know but who you know". No one can make you feel bad about your self except you. So get up and take charge of what you do and make a difference for the children who need Shriners Hospitals.

My lady and I will be seeing you at the Kaaba activities and remember "When you are prepared for the moment the moment is prepared for you"

Yours in Faith.
Thomas F. Hodge
High Priest and Profit

The Annual Patient Christmas party was held at the Masonic Center Saturday, December 1st . All children in our area who are patients of Shriner Hospital were invited.

I want to thank all the nobles and their wives who came, either to help or just mingle with the patient and their families. You made it a special day for our kids as they received a gift bag, lunch , stuffed animals and a visit with Santa. It was great to see all the smiles as the children lined up to talk to Santa.

Again, thanks to everyone.

Hospital Chairman

Message from The Oriental Guide
--

As I begin my journey as Oriental Guide, it has been interesting and fun thus far. My Lady, Mary, and I have attended at least one meeting of the majority of the Kaaba Clubs and plan to continue. As a member of the Hospital Dads, I really want to emphasis the enjoyment of the Shrine Hospitals and the tours they do. I have been to Minneapolis, Chicago and St. Louis and the wonderful feeling you get seeing the doctors and nurses at work and the children benefiting cannot be described. It makes me very proud to be a Noble and to help raise money for such a tremendous cause. I wholeheartedly recommend you take time to plan a visit and tour. It is very rewarding.

My Lady and I will be going to Tampa, FL in March and a couple days after returning, we will go to the CSSA planning meeting in Cedar Rapids. Mary and I are both looking forward to meeting our counterparts in Florida and beginning lifelong friendships.

I am excited for the parade season to begin. I have always enjoyed that aspect of being a Kaaba Shriner. It is a great time for Nobles to get together, have fun and get the message out about what we do for the children.

My Clubs this year are Blackhawk, Buffalo Bills, Dubuque, and Keokuk. I will see you there and I plan to attend other Clubs as I am available.

Thank you for your support and continued assistance as I travel down this road as "new kid on the block". I will see you at meetings, parades or other Shrine functions.

**Yours in Faith,
Walter Hill

WORDS FROM The CHAPLAIN'S CORNER

GREETINGS NOBLES!! What our **TRUST BEING IN GOD** means to us, tells us that we must know who **GOD** is, and where did we get our information that tells us about who it is in whom we put our trust? Most of us would say that the information of who **GOD** is came or comes from the **HOLY BIBLE**. Who introduced us, or informed us of the lessons that are in, or to be learned from, **THE HOLY BIBLE?** Our parents?, Our Grandparents?, Our Church?, Our Sunday school? Where did you remember first hearing about the Holy Bible, or learning what the **HOLY BIBLE**, all th books of the **BIBLE** teach us or has to offer. This on way we learn about **GOD** and about in whom **WE HAVE PUT OUR TRUST.**

It is good and proper that **THE GOD** in whom we put our trust is invited to our meetings, to be in all our minds and thoughts and in all our efforts to reach out to help others and to share the blessings that we individually have received from **GOD**.

What does that mean to all of us as **SHRINERS** ? It seems that in many of the 'BOOKS;' there is a lot of the calling out to ask **GOD** for his help and direction and the most important , and to learn and live GOD'S GIFT TO US, **THE TEN COMAN-MENTS.**

So is that why we have a **BIBLE** on our altar, as does every organization that is aligned with the **MASONIC FRATERNITY?**; EVERY APPENDAGE BODY.. It would be a wonderful gift to our **GOD** to call upon **GOD** everyday of our life, be able to recite by heart and to know, and to live by and follow those commandments every day

MAY GOD, OUR FATHER, BLESS US ALL

10 Million Charity Miles

We are happy to announce that Shriners Hospitals for Children (r) came in first place in the United Airlines 10 Million Charity Miles campaign! Thank you to everyone who voted and helped spread the word about the contest. We also thank United Airlines for this opportunity and for their support of all the charity partners.

As part of the contest, all 38 of the charities were awarded 25,000 air miles, with additional miles awarded to the top 10 charities, based on the popular vote. We do not have details at this time about the number of miles awarded.

Lost in the Desert! Help us find these members!!!!

The following is a list of the Kaaba Nobles that have been Lost in the Desert. They have not responded to previous correspondence and that they have not renewed their membership in *Kaaba* Shriners. Perhaps this is simply an oversight or our records are incorrect. If anyone knows the whereabouts please have them contact the office. I sincerely hope they will renew their membership or at least contact the office. Under certain circumstances Kaaba Fraternity maybe able to help them out, so give us a call at 563-386-2526

Tabs for The Kids

Pop Fizzzzz... GULP, GULP, GULP...

Aaaahhh... REFRESHING!

Author: Amy Miller

TABS FOR KIDS

As you open and enjoy your bubbly beverage, you might think how it quenches your thirst. How cold and wet it is going down your hot, parched throat. That it refreshes and revives you on even your bluest times. Many people don't know that it can also help a child in need.

A LITTLE PIECE OF HELP

When you look at a can of your favorite beverage, you see a design, a logo and even a list of ingredients and nutrition information. The can is made of aluminum, which in certain states might be redeemed for as much as a dime. But did you know that the tabs that you use to open the can with are worth something too? Your local Shriners collect these little pieces of aluminum and cash them in. All sales benefit Shriners Hospitals for children 100%.

WHY THEY DO IT

The Shriners collect the pull-tabs for 3 reasons; First, by recycling the aluminum the Shriners are being environmentally friendly, this is because it requires approximately 15% of the total energy to recycle the already refined aluminum rather than mine new aluminum. It allows others to help without additional cost to them. And, most importantly, it's also another way to help kids receive care regardless of patients' or their parents' ability to pay at the Shriner's Hospitals for Children .

WHY JUST THE TABS?

The answer to the question of why the tab and not the whole can is because of the size and the amount of space to store it in. Pull the tab off of your beverage can and look at it in comparison to the can itself. The can is 26.5 times as heavy and much larger than the tab, yet there is as much aluminum (or maybe more) in the tab as there is in the whole rest of the can. It takes roughly 35 cans to equal a pound of aluminum and about 930 tabs to equal that same pound with less space. So, the Shriner who is collecting these tabs is able to take more tabs than he would be cans. That helps turn more into usable money for the Shriners Hospitals.

NOW YOU KNOW

With all of this in mind, take that tab in your hand and donate it right away to your local Shrine Club. A tab can make a difference in a child's life as much as a dime can make a difference. How REFRESHING is that?

Jack Stamm Memorial Tab Program

Totals thru 1/22/2013

Year to Date: 1815 pounds brought in \$710.68

Program to Date: 367,752 pounds brought in \$196,591.89

Thank you for your continued support of this wonderful program!

"Shooting for the Shriners"

On January 8th Ridgewood hosted a " Shooting For the Stars" fundraiser at the Cambridge High School boys' basketball game. A freshman on the basketball team, Jake Swanson has been a patient at the Chicago Shriners Hospital since he was young.

When he was in seventh grade he had surgery to fix his knee and foot problem related to one leg being longer than the other. Then he had a second surgery a year later and probably will need another to correct some bone-on-bone rubbing.

The fundraiser was for the local Blackhawk Shriners who provide Transportation and other assistance for Shriners patients and their families.

Some of the Shriners that attended the event with Swanson are , in front from left Tom Podrovitz of Mohammed Shrine in Bartonville, Swanson and Pat Phelan of Kaaba Shrine in the Quad Cities and in Back, David Glanz, Johan "Mo" Muller and Jim Goetsch, all of the Kaaba Shrine.

Shriners Hospitals Facts and Figures

The first Shriners Hospital opened in 1922, Shreveport, LA

Now the number of Shriners Hospitals for children is: 22 ; 20 in the U.S and 1 each in Canada and Mexico.

Any child up to the age 18 is eligible for care if, there is a reasonable possibility the child will benefit from available services. Acceptance is based solely on a child's medical needs. All care and services are provided regardless of the families ability to pay.

Children helped to date is more than 1million

2011 hospital admissions : 15,711

2011 outpatient visits (includes outreach and telemedicine) : 285,154

2011 Patients treated : 121,713

Creating a Positive and Lasting Experience for Chicago Hospital Patients

Employees at the Chicago Shriners Hospital often hear patients say, "We feel like family here." In addition to offering multi-disciplinary specialty care, Shriners Hospital provides programs and special visitors to make kids feel welcome and comfortable. In November, the Canadian consulate brought two Royal Canadian Mounted Police – "Mounties" – to take pictures with patients and pass out gifts.

"Can you arrest people?" asked a wide-eyed four-year-old patient the Mounties met in clinic during their tour. While the police made no arrests, they did command a lot of attention and were happy to answer questions regarding their occupation.

Several patients asked to have their photo taken with "the princesses" as Susan "Suzie" Schumacher, the Supreme Queen of the Daughters of the Nile (DON) organization, and her officers visited the hospital. Along with Shriners International, these ladies help support our hospital system with monetary and in-kind donations.

You never know who you might meet at Shriners, but guests are always ready to greet families with a smile.

Good News! Services Extended at the Chicago Shriners Hospital

In an effort to accommodate the needs of the community, the Chicago Shriners Hospital is pleased to announce they offer extended rehab outpatient services weekly from 7am-6pm.

The rehabilitation department now provides weekly recurring outpatient visits as well as intensive visits for one to two week periods in which patients receive up to five sessions of therapy a day, with physical therapy (PT), occupational therapy (OT) and speech combined. Rehab is working increasingly with children with cerebral palsy and orthopedic conditions post- surgery, and are offering athletic injury rehab for rotator cuff and ACL injuries.

Anna Mueller, speech language pathologist (SLP), works with patients needing augmentative and alternate communication. Anna is looking to start a feeding clinic for patients with eating and swallowing disorders.

The rehab department continues to recruit patients for clinical research projects, including Lokomat studies. With rehab taking direct referrals, please call Shriners Hospital today at (773)385-KIDS if you know a child who could benefit from their expert service.
