Learning About the Church

Church Councils continued:

Council of Constance (1414) Ended the Great Schism during which the Church was divided by three rival popes. The council was assembled by the antipope John XXIII. It declared its superiority over the Papacy, deposed John XXII, Benedict XIII, and called for the resignation of Gregory XII. Pope Martin V was elected. It decreed that councils had greater powers than popes. Later this decree was changed.

Council of Ferrara-Florence (1438-45) Was held successively at Ferrara, Florence, and Rome. It brought about the union of the Greeks and established reforms.

Fifth Lateran Council (1512-17) Begun by Pope Julius II and continued by Pope Leo X. It condemned Conciliarism - the idea that a council is above the pope.

Council of Trent (1545-63) Dealt with the problems of the Protestant Revolt and issued many reforms. It mobilized the Counter-Reformation.

We will finish our look at Church Councils next week!

Feasts and Celebrations

In January we celebrate the Holy Name of Jesus

“...at the name of Jesus every knee should bend, of those in heaven and on earth and under the earth” Philippians 2:10.

January 1 - Solemnity of the Blessed Virgin Mary, the Mother of God

When we celebrate this feast, we honor Mary, but also Jesus as God.

January 6 - St. John Neumann (1860)

Born in what is now the Czech Republic, St. John Neumann became a priest at age 25 and traveled to New York. At 41, as bishop of Philadelphia, he reorganized the parochial school system and increased the number of pupils almost twenty fold within a short time.

January 6 (this year celebrated on January 8) – Epiphany of Our Lord

Epiphany is Greek for manifestation. When they honored the Infant Jesus, the three wise men bore witness to the fulfillment of God’s promise of a savior.

Start the New Year with a Family Prayer

When choosing New Year's resolutions this year, why not resolve to make shared prayer a greater part of your family's day? Prayer helps us to avoid sin and to get to know God personally. Plus, good prayer habits will stick with your children long after they've gone out on their own!

Women of St. Kieran

Consider a weekend at the Capuchin Retreat Center February 3-5, 2012. The theme this year is: "How do I know what God wants from me?" You will explore the struggles you often have in knowing what God wants, by looking at men and women of scripture and of our own time as guides. Most importantly, you will search your own heart to discover if it is God's will or your own that you are seeking.

Mary, the Holy Mother of God

January 1 is the oldest celebration of Mary in the Catholic Church. The custom of honoring the Virgin on the first day of the New Year originates in the sixth century, when her celebration was tied to the octave day of Christmas, the eighth day after December 25. In doing so, ancient preachers would remind their congregations about the role that Mary played in the history of salvation. Jesus was born of a woman, and so, as Eucharistic Prayer 4 states, "Made incarnate by the Holy Spirit and born of the Virgin Mary, he shared our human nature in all things but sin." The human nature of Christ is rooted in his being born like us. As we round out the Christmas celebration with its Octave Day on January 1, we venerate the woman who gave birth to him.

There is a dual action in today's Gospel that is sometimes overlooked. The shepherds find the infant in the manger as has been told to them by the angel. And then they go out to tell others about the child. In the meantime, Mary reflects on all these things in her heart. These are the two complementary stances of the Christian: action and reflection. Both are needed for a balanced spiritual life. It is, in effect, putting into practice the two great commandments: love God and love your neighbor.

As we begin the New Year, it is customary to make resolutions: to diet, to exercise, to change something in one's life. Like Mary, who reflected on the events surrounding the birth of her child, we take some time to reflect on our own lives: where we have been, and where we are going. The Gospel gives us the opportunity to situate that reflection in a spiritual context. What does the birth of Jesus mean for me spiritually (reflection), and what do I intend to do about that in my daily life (action)?

St. Kieran Adoration Chapel N.E. Corner of the Religious Education Building

"This practice of adoration is based on strong and solid reasons. For the Eucharist is at once a sacrifice and a sacrament; but it differs from the other sacraments in that it not only produces grace, but contains in a permanent manner the Author of Grace Himself. When, therefore, the Church bids us to adore Christ hidden behind the Eucharistic veils and to pray to Him for spiritual and temporal favors, of which we ever stand in need, she manifests faith in her divine Spouse who is present beneath these veils, she professes her gratitude to Him, and she enjoys the intimacy of His friendship" (Pope Pius XII).

Stop in the Eucharistic Adoration Chapel for a visit. Sign the register located on the back table and enjoy the peace only the Lord can give. Then commit to an hour of prayer before the Blessed Sacrament.

Why is it important to be registered in a parish?
Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times young adults who have moved away for years think they are still registered under their parents. But membership requires signing up - formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses and programs are planned and scheduled. Registration shows you belong! It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for tax purposes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish. *2009 Liturgical Publications Inc.*
