

February 21, 2012

With spring just around the corner it's time to start planning for the City of Oshawa's annual Community Clean Up. The City is once again asking for your help in cleaning up our community!

I'm sending you this year's Community Involvement Form with the hope that you will be able to join us. Plan to organize a group, large or small, to clean up a public area during the City of Oshawa's Community Clean Up Week, April 23rd to 30th, 2012 or any time during the year. Once an event has been organized complete the *2012 Record of Community Involvement* and send it in.

Gloves and bags will be available to clean up participants **as long as supplies last** so be sure to get your request in early! Upon the completion of your registered activity, a Certificate of Recognition will be prepared to acknowledge your contribution to the community.

If you are unsure of the areas where clean up is required or have any additional questions, please do not hesitate to contact me. I look forward to hearing from you.

Sincerely,

Rose Mary Mason
Events and Community Engagement
