

# A level French

## Bienvenus!

Welcome to Year 12 French! In order to keep you ticking over during that lovely long summer holiday that stretches before you we've got a few things to stop you getting bored!

**Firstly keep your reading and listening** going by visiting the sixth form section of our pink internet page ( bottom left – may be out of sight.)

- Explore Le Kiosque for reading and listening. [www.lekiosk.com](http://www.lekiosk.com)
- Sign up to the Slow News in French and try it out [www.newsinslowfrench.com](http://www.newsinslowfrench.com)
- Try out Euronews - good (slow) listening with transcripts – go to the Euronews TV page [www.fr.euronews.com](http://www.fr.euronews.com)

A little and often (say 30 mins a few times a week) will make a world of difference. Record any new words in the independent learning book we give you.

**Secondly** choose one of these areas – you may have been on holiday there - and **prepare a PowerPoint** of minimum 5 maximum 10 slides to present to the rest of the class when we do “Holidays”- should have text and pictures and you can talk us through in French. We want to know about **food specialities/ landmarks/main towns/geography/main industries/climate/ things to do**

**Brittany/Paris/Provence/Normandy/ Burgundy/ Pays de Loire/  
Aquitaine/Alsace Lorraine**

**Lastly, choose a film** from our film library and **enjoy watching it!** Record a brief summary and your thoughts in your independent learning book.

## *Bonnes vacances!*
