

Our Golden Bond places will be offered to individuals who are confident they will be able to raise a minimum of £2,000 in sponsorship for the event.

We are likely to receive more applications than we have places so please answer all questions as fully as possible because places will be allocated based on your answers.

We will contact all successful applicants to assign a place, if you are assigned a place you will be required to pay a registration fee of £100 to secure your place. This does count towards your minimum sponsorship amount. If you entered the official ballot, please contact us as soon as you know whether you have been successful or not.

Orchid are always looking for case studies for the marathon, to be used in local and national press to promote our work. If you would prefer not to be contacted by us about providing a case study, please let us know.
