In the event that I am unable to be reached and my child requires medical, surgical, or dental care, I hereby give permission for YMCA staff and the doctor's and dentist's of the clinics listed to administer medical treatment. I also agree to pay all costs and fees in conjunction with these treatments. Every effort will be made to notify parents in case of an emergency. This form will be presented upon admission for treatment.

I hereby, for myself and my children, waive and release all rights and claims for damages I may have suffered against the YMCA and any of her agencies, including any injury my child may have suffered while attending YMCA programs I have agreed to participate in or have volunteered. I give permission for my child to have his/her picture taken, attend scheduled field trips, wear sunscreen, and wear bug repellent. I understand that I am responsible for the program cost for each week my child is registered.

Program costs are due before the child can participate in the summer sports program.
