

American Cornhole Charity Classic  
**Saturday, December 15**  
 Cincinnati Convention Center

Sanctioned by the  
 American Cornhole  
 Organization

## Build Company Team Spirit. Raise Money For Your Favorite Non-Profit. And Party with 63 Other Great Cincinnati Companies.

No sport says Cincinnati like our favorite local pastime - Cornhole. The American Cornhole Organization is on a mission to find the company that does it the best.

Join the great American Cornhole Charity Classic. A day of team building and fundraising - starring 64 company teams and a one-pound bag of corn.

Who will be there? The area's biggest corporate names and most established hometown favorites. And your company can be in the middle of it.

**The Prize Money for your charity of choice is paid out as follows:**

- First Place - \$20,000
- Second Place - \$5000
- Third Place - \$2500
- Fourth Place - \$2500

### Sponsor a team and bring home the City Cornhole Cup.

First, find 6 - 10 players for your company team. They can be your 6 - 10 best players or a department looking to build some team spirit. We can even hold an on-site mini-tourney at your company to build excitement and a strong team. The field is limited to the first 64 teams that sign up, so start building yours now!

Second, choose a favorite non-profit for your team to sponsor. If your team wins the Classic, ACO will donate up to \$20,000 to your sponsored charity.

Third, send in your \$1,000 entry fee. The fee covers at least three hours of play for your entire team, plus tourney t-shirts, music and food - and a full afternoon of team building. Plus, your team will get first option on playing in future Classics.

Finally, win the Classic and bring home the City Cornhole Cup!

Cornhole is spreading across the nation. This popular sport has only one birthplace: Cincinnati. And only one Cincinnati company will have the City Cornhole Cup displayed in their lobby.

### Is your company up for the challenge?
