It's been a long winter! C.S. Lewis speaks of the coming of spring in his chronicles of Narnia, "When Aslan bares his teeth winter meets its death. When he shakes his mane, we shall have spring again."

Through the ages people of insight have attributed the refreshment of the earth to the restorative power of God. One was Brother Lawrence, "an uneducated man in France who was converted to Christian faith when he saw a tree stripped bare in winter and realized the universal fullness of hope spring held for the tree, and for him - and for everyone. The analogy moved him and he began a life of toil and contemplation. His primary task for decades was washing dishes and preparing meals for brothers and pilgrim visitors."

Spirit is the energy of life, Spirit bursts forth in the new life of Spring. The Holy Spirit empowers a Springtime to the soul, renewing it through the power of the gospel, lifting the soul into communion with Jesus, all the saints and our brothers and sisters in our community of Jesus empowered folks. Lent means "springtime" and it is a time of joyous expectation of the coming of the power of the Spirit who sweeps us up into God's new creation. Let's embrace this Spirit/Wind blown surge of Spring as we sing with all the saints on Easter Sunday, Alleluia!

Huge Yard Sale and Sloppy Joe Lunch May 1 and 2nd

St. Paul's GoZones! After-School Program and ESOL Program are having a big Spring Yard Sale and Plant Sale and our famous Sloppy Joe Lunch on Thursday May 1 and Friday May 2 from 7 a.m. to 5 p.m. We need items to sell and customers to buy! Let your friends know about the lunch and the sale.

If you are doing spring cleaning please think of donating items you no longer need to be sold at our sale. We much appreciate the items already received. At this point it is best to bring the items the week before the sale as we are crunched for storage space. If you bring items before that please mark them "Sale" and put them on the stage. Pre-pricing helps! We batch price clothing and books.

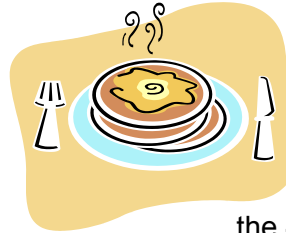

The lunch is also available as "take-out". High quality bedding plants will be available the week of the sale. If you happen to have extra perennial plants in your yard, we welcome you to dig them up and bring them to sell at our sale too! Expenses for After-School are mainly craft and activity supplies, snack supplies and tickets for special events. Expenses for ESOL include staff funding, tuition scholarship and coffee and supplies for break time.

Filling the Gap Thanks!

From Partner for Wichita Samaritan Community Vista
Danielle Ramirez

Now that school is back in session it is my thought that everyone involved with Filling the Gap should rest easy knowing you helped served at least (if not more than) **4,513 meals in only 5 days during Spring Break!** It took each of us playing a role to help make it happen. A gigantic thank-you goes to you for all the work you have put in. As I visited the 16 sites across the city I was easily amazed how many smiling children I saw and how excited the volunteers were to serve. Well done everyone!

Breakfasts Feed the Hungry

Our April breakfasts will be served by St. Paul's on the 2nd Saturday, Reformation on the 3rd Saturday and NuStar on the 4th Saturday. We had really

big attendance most Saturdays in February and March. It was great to have the Ascension Youth help us in March. April 12 is St. Paul's next turn. Our early people arrive between 6:30 and 7 a.m. Donations of funds and food are always welcome. Thanks to all who make the breakfast possible! Thanks to Partners for Wichita for the Bags of Blessings to distribute to our guests.

Gloves Challenge: Jeannie Grunden is working on knitting 300 caps for our guests to distribute next fall. She is challenging us to provide a pair of gloves to go with each cap. Gloves are so much needed in the colder weather and the challenge is issued now to help people find a way to meet the challenge.

We have received the great news that St. Paul's was awarded a \$1500 ELCA Domestic Hunger Grant for food for the Community Breakfast.

Happenings at Kid's Kingdom

I am not sure how it happened but April is almost here. Warmer weather and Easter are just a few of the things we are looking forward to in April.

We will finish up the alphabet with the letters Y and Z, then will spend a few weeks reviewing all our letters A-Z, our shape will be oval and the color will be green.

The "Week of the Young Child" is April 6th – 18th. This is a time to recognize that childhood provides a time of growth and learning for all young children. It reminds us that adults can provide children with so many opportunities to learn and grow in their everyday lives. These important early childhood years (birth through age 8) lay the foundation for children's success in school and later life. The "Week of the Young Child" is a time to plan how we—as citizens of a community, of a state, and of a nation—will better meet the needs of all young children and their families.

Want to help the preschool and not sure what to do? Check out our Helping Hands board. We are in the need of several things on a daily basis. Check it out. No time to shop? A cash donation is always helpful. Feel free to come down to our schoolroom and ask, or give me a call 263-2433.

I want to end with a BIG thank you to those of you who have already donated time and supplies. We are a small program and every little bit helps more than you can begin to imagine.

Have an Amazing April!
Donna Freeman, Director

GoZones! After-School

In March GoZones! kids were glad to be back after snow days and cold days. We have spent a lot more time indoors these last few months than we would have liked to. Yeah for the legos, the dinosaurs and the indoor basketball goal. The kids planted pansies along the north fence the week before Spring break and it was great to be outdoors. After Spring Break they got to observe the roofers at work and their safety ropes. We always need more homework helpers. We have younger kids practicing their printing and upper elementary kids doing division and fractions homework and a variety of other work and one-to-one help is great. We hope April will have lots of sunny days for outdoor time.

ESOL - Working Hard to Learn English

St. Paul's ESOL classes started their spring term just as the snowstorms came again this year and we even had a snow/cold day in March!

We continue to have new students enroll. They come from many nations. We have great volunteers and we can use more! The level 1 classes begin with a vocabulary concentration and move on to more work with grammar and conversation practice. The classes are Monday – Thursday mornings from 9:30 a.m. to 12. Volunteers are needed to make this possible. Contact Coordinator Leon Rausch at 263-0810 or esol.stpauls@gmail.com for information on volunteering. Students pay for their own books and also pay a monthly tuition fee.

Congratulations to Joe Holt and Jessica Unsinn married at St. Paul's March 22.

Our condolences to Cindy and James Galstad and family on the death of Cindy's father, Delbert Bryan, who died March 1. Rest eternal grant him, O Lord, and let light perpetual shine upon him.

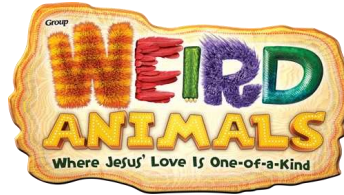

Congratulations to Gage Rickerson who received his First Communion on March 23.

Please let the church office know if you or someone in your family is going to be a May graduate from High School or College.

Bible School Planning is Underway

Our 2014 VBS will be June 2-6, mornings from 9-12 a.m. This year's theme will be "Weird Animals: Where Jesus' Love is One-of-a-Kind". We offer our Bible School free to our community's children so we raise funds each year to pay for our supplies. We usually have 70-80 kids attend. Our fundraising kickoff will

be at the Easter Breakfast and the NW Thrivent Chapter will match 1-3 up to \$500. We need lots of adult and youth volunteers. Talents needed for Bible School include Opening Leader, Bible Story Leader, Games Leader, Crafts Leader and Snacks Leader. We need one each of those and then we need crew leaders, people to be with the kids all the time and take them to each activity station. And most important, Moms and Dads and Grandmas and Grandpas to bring the kids to Bible School! Is this the year you can help? Call Julianne Kallman to sign up.

Lenten Discipleship Emphasis

During Lent St. Paul's members are invited to engage the discipleship practices to invite a deepening life in Spirit. The practices are Daily Prayer, weekly worship, daily spiritual reading, small group participation, congregational support and mentoring. People can engage these practices on their own or become involved with a group of people. The daily Bible readings for Lent were listed in last month's Come and See and Pastor Fulton has written a set of devotions with 5 devotions on each of the discipleship practices. The groups are meeting on Sunday at 10 a.m. and 6:30 p.m. (during the Refresh worship time) and on Wednesdays at 6.

Lights and Thermostats and Doors

We need everyone to be sure that the lights are off and the doors and windows are shut after activities at church now that the weather is turning nice and we have longer hours of daylight. Also please be sure the thermostats are set at the unoccupied setting at the end of activities.

Gift of Warmth Thanks

Work began on the roof project on March 24 and by 2 p.m. that day adding the Hunter panels to the south side of the roof had begun, they are the light colored panels at the bottom of the roof in the picture here. There are more stacked beside the building! Work moved along steadily throughout the week. The layer of insulation panels added to our roof before the new shingles go on is going to really help us moderate the heat and air conditioning bills. Thanks donors!!

World Malaria Day April 25

World Malaria Day is April 25. Since the ELCA Malaria Campaign joined the global movement to fight malaria in 2009, we have seen a reduction in the number of deaths from this preventable, treatable disease. But we're not done yet. We are committed to raising \$15 million by 2015 to support work in 13 of our companion churches in Africa to prevent, treat and contain Malaria by 2015, and to date, total gifts have reached over \$10 million. Through our existing relationships, plans and projects are being developed and implemented as we move faithfully forward.

Globally, 3.3 billion people in 106 countries are at risk of malaria. In 2009, 781,000 people died from malaria, mainly women and children in Africa.

According to the latest estimates from the World Health Organization (WHO), released in December 2013, malaria mortality rates have fallen by 45% globally since 2000, and by 49% in the WHO African Region. Malaria mortality rates among children in Africa have been reduced by an estimated 54% since 2000.

There have been challenges in creating a successful malaria vaccine and drug resistance has developed to some of the drugs formerly effective against malaria. To date there is no licensed vaccine available so prevention efforts are critical.

Totally Ordinary

It can be tempting to praise acts of generosity as exceptional or saintly. Jesus reminds us, however, that we should not be amazed by giving. Instead, he tells us that giving should be normal because humans are designed to give to help meet the needs of those we love. Stewardship, then, is not about being extraordinary. It is about becoming more human and more like the people God created us to be. When we recognize our own generous spirits, we will more fully trust God to provide.

Adapted from "Even you are generous," a stewardship devotion by Emma Crossen that appeared in the July 2013 issue of *Interchange*, the magazine for Women of the ELCA leaders.
