Dear families and friends,

The 'start up' program in classes has been a fantastic way to begin our learning year. Classes have developed expectations as a team and discussed what good learning and good teaching looks like. Students have worked in areas to share their ideas and have established new friendships and working teams in class. In this way, our value focus for this term of **Cooperation** has already played a big part. Our 'You Can Do It' focus of **Getting Along** is also key. As we build positive relationships between students, teachers and families we ensure that, if issues arise, everyone has someone they feel comfortable talking to and can go to for support. When we feel comfortable and safe, our potential for learning increases. I am sure that we will continue to build positive relationships throughout the year that will result in strong learning experiences.

SCHOOL COUNCIL

Our current School Council will meet for the last time on Monday of next week. During the coming month we will be establishing a new School Council that will operate for the next twelve months. As per *Department of Education and Training* requirements, any school councillors who have served a two year term, or who have been seconded for a one year period, will retire. Retiring school councillors this year are as follows:

<u>Parent Representatives</u>	<u>DET Representatives</u>
Danny Steele	Emily Seing
Michael Donohue	Lynda Whitechurch
Craig Lazzarro	
Di Carmichael	
Con Paraskevatos	

We thank all the above people for their wonderful contribution to Rosanna Primary School and hope that, if eligible, they consider re-nominating for School Council.

Parents of students of our school are now invited to nominate for the 2016-2017 School Council. For more information about the School Council and the election process, please refer to the attachments with this newsletter. All nominations must be on the correct form that is also included with this newsletter.

HEALTH/MEDICAL

The health and wellbeing of students here at Rosanna is very important to us. We work hard to ensure a safe environment and provide strong procedures for first aid. We employ qualified first aiders to staff the first aid room and have excellent communication processes between home and school.

As part of this process we rely on you, as parents, to share health and medical information with us. Sometimes medical information is shared when students first enrol in prep. However, this can quickly become outdated. It is very important for us to know if your child suffers from any medical conditions or is taking any medication (even for a short time). Conditions such as anaphylaxis, allergy and asthma are well managed at our school but, it is essential that we have up to date information from you. If your child has any medical conditions or is taking medication, please contact the school and speak with Michelle Woolacott to ensure that we have all the information we need to support your child.

STUDENT ACCIDENT INSURANCE

We remind families that the Department of Education and Training (DET) does not provide personal accident insurance for students. Parents and guardians are generally responsible for paying the cost of medical treatment for injured students, including any transport costs, unless the injury is caused by the negligence (carelessness) of a Department or school council employee or volunteer.

Student accident insurance policies are available from the private insurance market. These cover a range of medical expenses not covered by Medicare. Please contact the school for details of insurance providers.

TRAFFIC

As mentioned in last week's newsletter, the safety of our students is our highest priority. I thank those people who have taken care to park in the appropriate way, in the appropriate parking areas and also, who use our 2 minute 'drop off zone' correctly. On occasion, a by-law officer from Banyule Council has been at the school issuing fines and infringement notices. Although I don't wish for anyone to have to pay a fine, it is excellent to see the council supporting our quest for a safe traffic environment.

Some reminders:

- **No Parking in the 2 MINUTE drop off zone (kiss and go. If students are not ready for pick up, drive around the block)**
- **Students must wait inside the fence for pick up**
- **No double parking**
- **40kms/hour permanent speed limit around the school**
- **No three point turns or U-turns in our streets (drive around the block).**

TERM CALENDAR

An events calendar for term 1 is included with this week's newsletter. However, we ask that you watch for changes and additions to the calendar. These will be notified via the weekly newsletter and will also be on the school's website at www.rosannaps.vic.edu.au

ASSISTANT PRINCIPAL'S REPORT

A reminder that school interview bookings can be made from 6:00pm this evening. A note went home on Monday with details on how bookings can be made. A copy of the letter can be found on our website. Visit <https://www.schoolinterviews.com.au/> and use the code E827G. Those with large families who wish to ensure a booking of their choice, need to book early. Please feel free to speak with our office staff for support if needed.

First Aid

St John's First Aid visited our school today. Students learned the importance of staying safe in dangerous situations as well as some basic first aid strategies in case of emergency. A special thanks to our three presenters who left us a little more prepared to respond to first aid issues.

School Dental Program

On Monday 21 March, students will participate in a special educational session with Schools Dental. Each session will go for approximately 30 minutes and provide information on how to maintain healthy oral hygiene and dental care. Over the final week of school the School Dental Team will provide simple dental checkups for students. Please stay tuned to next week's newsletter to learn more about how your family may choose to be a part of the program.

Bike Education

As the year gathers momentum our roads seem to be reaching busier heights. A reminder to students to travel safely on the roads and footpaths and be respectful of other road users and pedestrians.

Lawn Mowers

Please let us know if you are able to help out by joining our roster of 1/2 parents who are mowing our lawns this term! Many hands lighten the load for everyone.

ADVANCE AUSTRALIA FAIR

Advance Australia Fair (The National Anthem of Australia) was composed by Peter Dodds McCormick sometime around the turn of this century. There are five verses in all but we sing verse one.

*Australians all let us rejoice,
For we are young and free;
We've golden soil and wealth for toil,
Our home is girt by sea;
Our land abounds in Nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair!
In joyful strains then let us sing,
"Advance Australia Fair!"*

FIRST AID

Ill and injured children are given the maximum of care and attention possible by staff who have first aid qualifications. If necessary, parents will be contacted to collect children for further treatment.

If your child requires medication to be administered, then a note explaining the dosage and time of administration needs to be sent to the office. The medication is to remain in the first aid room.

SAFETY

We want to keep your child **SAFE** at school. To do this we need your help.

1. Please observe **ALL TRAFFIC SIGNS AROUND THE STREETS**.
2. Cyclists **MUST** wear **HELMETS**.
3. **USE SCHOOL CROSSINGS**.
4. Instruct your child to report to the office if you are not there to collect your child from school.
Children should NOT WAIT OUTSIDE GATES.
5. Explain to your child about the dangers of talking to strangers.
YOU MUST PLAY YOUR PART TO HELP US KEEP YOUR CHILD SAFE!

NOTES

Please check your child's bag every day for any notes and Thursday for the School Newsletter.

Students have commenced borrowing in the library this week. To protect the library books from damage, it is preferable that students bring a library bag with them when they borrow.

We are looking for parent volunteers in the library to help with shelving throughout the year. If you are interested in helping, please fill in the following tear off slip and return it to school or complete the form via Tiqbiz. We will be in touch with you over the next few weeks.

BEFORE SCHOOL CARE/ AFTER SCHOOL CARE PROGRAM

It has been a big week! It seems we've increased in numbers in before school care, and our numbers continue to remain steady at aftercare. But this could change, once we begin welcoming preps to future programs.

Last week, we had fun with our theme - Australian animals. Some children did the following art and crafts: - Jumping Kangaroos and Bumble Bees. Popular indoor activities last week were: - Darts, Dress ups and Performing, free painting, Puzzles, Lego, Connector Straws, Chess and playing with cars. Most popular sporting activities were: - cricket, basketball and tennis. Children seemed to enjoy the following group games (as selected by the children): - 40:40 home base, Octopus and The Night in the Museum.

UPDATING ENROLMENTS:

Could parents ensure all their children's enrolments have been updated. Please update medical conditions (allergies, asthma etc.), any changes to addresses, phone numbers and year levels, cultural details, dietary requirements, emergency contact details, custody orders and parent's details. This information can be updated online at www.oshclub.com.au. Please log into your account and update this information. If you require any assistance with enrolling or opening an account, please contact our head office team on the number below.

NOTE: For all custody orders, we do require a copy onsite. For the safety of your children, we need to be aware of such orders, so we can ensure your child is picked up by the correct parties as stipulated.

UPDATE BOOKINGS: As all bookings from last year do not carry onto this year, **please ensure you update your child's bookings online at www.oshclub.com.au and enter your account.** This is important, as not only do we need to **know numbers for the catering of food**, but to ensure **we're aware your child arrives safely at the service.**

FINANCIAL ASSISTANCE INFORMATON FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students.

HOW TO APPLY

Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

Online Grooming

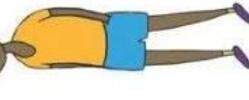

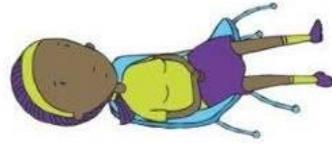

Young people are quick to embrace and explore the online world, but parents should be aware of the risks.

What is online 'grooming'?

Online 'grooming' is where an adult sexual predator tries to lower a young person's inhibitions, or heighten their curiosity regarding sex, with the aim of eventually meeting them in person for the purposes of sexual activity.

The process may start with sending pornographic images to 'normalise' the discussion of sexual activities, and then move to requests for naked images or to perform a sex act on a webcam.

This can take place via all forms of digital technologies. Social media, gaming sites, email, instant messaging programs, forums and chat rooms with a young person and gain their trust.

Who is at risk?

Online predators will focus on those who are vulnerable. Social networking sites are designed to share personal information, providing a way for online offenders to 'target' those who make themselves vulnerable, for example, by not having privacy settings in place.

Young people are naturally curious and will engage in online discussions about things that they would not openly discuss in the real world.

Children may make poor decisions about allowing people into their online lives, believing that those who are 'nice' online will be the same in the real world. Teenagers are particularly at risk because they often use the computer unsupervised and are more likely than younger children to seek out and participate in online discussions about sexual activity.

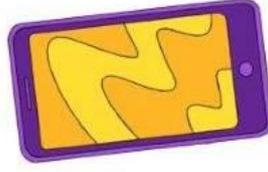

Online Grooming

What to do

It is very important to talk to your child about these issues, so that they know that you are aware of things they may confront in their online lives. Let them know:

- they can tell you about any problems they are having or if someone online makes them feel uncomfortable
- it is OK to trust their instincts
- if something feels odd or strange then it probably is
- 'Good friends' don't make them do things that make them feel uncomfortable.

Check that your child has all the security settings in place for social networking sites to protect their online privacy.

Warning signs

Signs your child could be at risk include:

- You find pornography on your child's computer. Online predators may send pornographic images in order to 'normalise' their requests for pictures.
- Your child is receiving or making calls to numbers that you don't recognise.
- Your child is spending an increasing and/or an excessive amount of time online.
- Your child is receiving unexplained gifts (mobile phones or extra credit vouchers are common).
- Your child is becoming withdrawn and there is a distinct change in their behaviour.
- Your child is becoming more secretive in what they are doing online and is trying to 'hide' what they are doing online.
- There are people on your child's 'friends' list that you do not know and your child has never met offline.

Police Assistance

If you are at all concerned about the possibility of your child being the victim of an online sexual predator please contact the police for advice and assistance.

If you believe your or any child is in immediate danger please phone **000**.

If you are concerned about online behaviour involving the sexual exploitation of a child you can report it online to the Australian Federal Police, www.afp.gov.au

What is a school council and what does it do?

All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the key directions of a school within statewide guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on the school council?

For most school councils, there are three possible categories of membership:

- A mandated elected Parent category – more than one-third of the total members must be from this category. Department of Education and Training (DET) employees can be Parent members at their child's school as long as they are not engaged in work at the school.
- A mandated elected DET employee category – members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically one of these members.
- An optional Community member category – members are co-opted by a decision of the council because of their special skills, interests or experiences. DET employees are not eligible to be Community members.

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

Why is Parent membership so important?

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?

The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might seriously consider

- standing for election as a member of the school council
- encouraging another person to stand for election.

Do I need special experience to be on school council?

No. What you do need is an interest in your child's school and the desire to work in partnership with others to help shape the school's future.

What do you need to do to stand for election?

The principal will issue a Notice of Election and Call for Nominations following the commencement of Term 1 each year. All school council elections must be completed by the end of March unless the usual time line has been varied by the Minister.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.

DET employees whose child is enrolled in a school in which they are not engaged in work are eligible to nominate for parent membership of the school council at that school.

Once the nomination form is completed, return it to the principal within the time stated on the Notice of Election. You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination.

Generally, if there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

Remember

- Ask at the school for help if you would like to stand for election and are not sure what to do
- Consider standing for election to council this year
- Be sure to vote in the elections.
