Dear families and friends,

This weekend will see a long weekend for all of us as ANZAC day falls on Monday 25<sup>th</sup> April. It is a great opportunity to reflect on the courage of our armed services and their commitment to protecting our freedoms in conflict throughout the years and around the world. Recently, I received some precious documents relating to the service of my great grandfather who served as a gunner in the army during World War I. The most fascinating item was a journal that he kept as he travelled home by ship at the end of his service. For me, it created a very personal connection to the events of 100 years ago and I hope that, as we discuss this aspect of our history both at school and with our families, we are able to identify with the real people who represent such a huge concept of war and conflict. I will certainly treasure my great grandfather's words and have a better understanding of what that time was like for those who served.

#### STAFFING

We are currently in the process of employing staff to fill the positions of Emily Seing and Kristy Weston as they will soon be beginning their parental leave. I would like to congratulate Nadia Lopez who was the successful applicant for our 5/6 class position. Nadia comes to us with experience working in the south western region as well as in the UK. We are excited to welcome her to the Rosanna team and she will visit the school and class over the next few weeks to get to know the students and share information with Mrs. Seing. We will confirm Mrs Weston's replacement shortly.

#### 2017 PREP ENROLMENTS

At this time of the year we receive interest from parents who are looking to enrol their children in next year's prep classes. Currently we are making contact with local pre-schools and childcare centres with information about the enrolment process. This year we are offering "Come and Play sessions" where children can visit and play in the prep classrooms and meet some of 2016 teachers. These sessions will take place on **Friday 29<sup>th</sup> April from 9:30**

**- 10:30am and Thursday 12<sup>th</sup> May from 4:00-5:00pm.** We are also inviting prospective parents to attend an evening information session and school tour at **7.15pm on Tuesday 3<sup>rd</sup> May.** In addition, we are booking school tours during school time which gives families an opportunity to see the school 'in action'. Please contact the office for more information about booking a tour.

In the meantime, if you, or someone you know, have a four year old and you wish to enrol in prep for next year, we are more than happy to meet with you. Please note that your child must turn five on or before 30<sup>th</sup> April, 2017. To complete the enrolment, you are required to bring along a Birth Certificate and the School Immunisation Certificate that should have been sent to all families with a four year old who has completed the prescribed immunisation program. Further information re immunisation can be obtained from the school or the local city council office.

#### FORPS

Yesterday saw a small group of parents attend the FORPS Annual General meeting. Thanks to those who have volunteered their time to take on executive or committee roles. Our FORPS team are dedicated and hardworking and co-ordinate both fundraising and social events. Please see the FORPS section in this newsletter for more information and I encourage you to join this team as, many hands make light work.

#### **SPORTS NEWS**

Tomorrow we play Charles Latrobe College away. Charles La Trobe don't have any netball teams so our teams will remain at school for training.

The soccer teams will be playing at Charles Latrobe College as well and football will be played at Shelley Park, Shelley Street, Heidelberg Heights.

All children involved need to bring \$7.00 for the bus.

Games begin at **9.45 am.**

All children not involved in a sporting team will participate in a sporting program at Macleod College. No money is required for this program.  
Good luck to all teams.

#### **LAST WEEK'S SPORT REPORT**

On the first week of school, Friday, interschool sport is underway.

13 excited players are getting ready for the first soccer match of the term against Macleod. The weather is perfect, the field is perfect, everything seems perfect... until the referee blows the whistle. The game is on and so are nerves and excitement. Rosanna does the first pass and the second and the third...our training is finally paying off. Bang! First goal scored and then we scored some more and more. Half time, enough goals scored to make us forget about the outrageously hot sun. The players were sizzling in it like sausages on a barbeque on a hot Sunday afternoon but no one seemed to mind. Time to get back on the pitch, Macleod plays harder and

harder and get their first close shot on target. No goalkeeper in the whole world would have saved that, except the goalkeeper playing for Rosanna. He leapt at the ball as though his life depended on it, the ball was in his hands and the dive was amazing. That was the highlight in our very first match. Bang! Bang! Bang! Bang! We were on roll once more, 1 minute to go. Time to score our last goal. Everyone put in an extra effort which was just enough for our forward to run down the wing and take the last shot, just as the referee blew the whistle. Bounce, bounce, bounce, bounce. Off the ball went bouncing on the grass, past the goalie and...and...everyone froze for just a couple of seconds. Boom! The ball hits the post on the far end and bounces out of the field 9-0 Rosanna won.

**QUALITY, ASESSEMENT & RATING OF THE SERVICE: -**

We will be going through this process soon This will involve a visit from the Department of Education and Training (Early Childcare), they will send a Quality Assessment and Assurance team, who will visit the BSC and ASC programs. Within this process, they will be ensuring we have been following the Education and Care Services National Law Act 2010 ('National Law') and the Education and Care Services National Regulations 2011 ('National Regulations'). They will be questioning and observing what the Educators and children are doing, to ensure we're meeting these standards. Based on their observations and our documented evidence, they will provide us with a rating for the service.

This is an exciting time for the service. It's an opportunity for Educators and children to demonstrate and discuss the great things that are and have been happening at the program!

# Cartooning

WiseOnes

Cartooning is a special way of making comment on life and society. It includes humour and uses that to make comments that would be unacceptable or even politically dangerous if put into words. Cartooning uses exaggeration to add emphasis and since it deals with human beings it often exaggerates their body features, feelings, habits, faults.

In this unit, you will develop cartooning skills such as facial features, comic strips and speech bubbles. You will write humorous captions and learn how to tell a concise message in 5 points. You will explore your sense of humour, initiate the ridiculous but be sensitive to other people's feelings and consider the rights of free speech versus rights to privacy. Explore your creative talents with WiseOnes.

WiseOnes is a program for fast learners from Grades 1-6. It operates during school hours, in small groups. It provides students with an opportunity to mix with other creative thinkers, be challenged and have fun. There is a levy of \$216.00 for the term. Children work in very small groups (in 8 one-hour sessions), as this is a differentiated curriculum for special needs. The levy is payable to the school in the first week of term.

## Wiseones Application for Term 2, 2016
