

# Language Assistance Plan for Transit Alternatives

DATE adopted or approved by Transit System: 11/15/2010

## Purpose

The purpose of this Language Assistance Implementation Plan (hereinafter "plan") is to meet Federal Transit Administration's (FTA's) requirements to comply with Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color, or national origin. As a subrecipient of FTA funds, this transit system is pledged to take reasonable steps to provide meaningful access to its transit services for persons who do not speak English as their primary language and who have a limited ability to read, speak, write, or understand English. The FTA refers to these persons as Limited English Proficient (LEP) persons.

The U.S. DOT's FTA Office of Civil Rights' publication "*Implementing the Department of Transportation's Policy Guidance Concerning Recipients' Responsibilities to Limited English Proficient Persons – A Handbook for Public Transportation Providers*" was used in the preparation of this plan.

## A. LEP Needs Assessment – the Four-Factor Analysis

**Factor 1. The number or proportion of LEP persons in our service area who may be served or are likely to encounter a transit program, activity, or service.**

We assessed the following information (as checked) about LEP persons to determine the number or proportion of LEP persons who might use or want to use our transit services:

GIS map showing transit service area and concentrations of LEP persons (Attachment A)

2000 US Census data

Survey results

Reports from drivers, dispatchers, others about contact with LEP persons

Other information. Describe: \_\_\_\_\_

According to data provided by Mn/DOT from the 2000 US Census:

- The total number of LEP persons in our service area is 875.
- The total eligible population in our service area is 101477.
