Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
4. "Graduates Employed in the Field" means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations requiring passage of a licensing examination prior to employment, "graduates as employed in the field" means in a single position for which the institution represents its program prepares its graduates within six months of the announcement of the first licensure examination results.
5. "Placement Rate" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

1. "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
2. "Graduates Employed in the Field" means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations requiring passage of a licensing examination prior to employment, "graduates as employed in the field" means in a single position for which the institution represents its program prepares its graduates within six months of the announcement of the first licensure examination results.
3. Salary is as reported by the student. Not all graduates reported salary.
