**4. The Plan is designed to meet the following tests. If you believe it fails any of them, please tick the box(es) and give your reason(s).**

The Plan should be...

Positively prepared – meeting local needs where possible?

The plan fails this test because:

The issue of the relationship between the delivery of the housing allocation to the north and east of the town (Strategy 20 b) and the Relief Road has not been satisfactorily resolved and the wording introduced by the change adds to that uncertainty.

Justified – when compared to other options?

The plan fails this test because:

The Council has not fully justified its position in the Plan in terms of i) whether the Relief Road is capable of being funded by either CIL or the development at b) and ii) how the delivery of the Relief Road impacts upon the delivery of b) itself.

<b>Name/Organisation</b> Please complete for each sheet	Devonshire Homes Ltd
--	----------------------

Effective – so that development needed can be delivered?

The plan fails this test because:

The lack of understanding between the delivery of the Relief Road and the development at b) means that there is a risk of the strategy for Axminster not being delivered which means the housing, employment, infrastructure, economic and social needs of Axminster will not be met.

Consistent with national policy?

The plan fails this test because:

The Plan is not consistent with the objectives of the NPPF particularly para. 173.

Legally compliant (following proper procedures)?

The plan fails this test because:

N/A

**6. If you wish to speak at the examination in public, please outline why you consider this to be necessary:**

Given the nature and content of the representation and our representations made on the Plan as a whole it is important to be able to discuss/examine the matters raised with other parties, including the Inspector(s) at the Examination.
