## Part 4 Conflict of Interest Definition

A person has a conflict of interest relating to a Treatment Plan if,

- i) the person or a related person may receive a financial benefit, directly or indirectly, as a result of the provision, by the related person or another person, of goods or services contemplated by the Treatment Plan, and
- ii) the person who may receive the financial benefit is not the employee of the person who will provide the goods or services and does not have a contract with the person who will provide the goods or services or under which goods or services of that kind are provided.

Note: After approving this Treatment Plan, if the insurer determines that there is a conflict of interest that was not disclosed, the insurer may give the applicant notice to amend the Treatment Plan to remove the conflict of interest and if no amendment is made, the insurer is not required to pay for any further expense for which there is the conflict.

Note:

The fee for completing this form is not a health care benefit of the Ontario Ministry of Health and Long-Term Care. This fee should be billed to the insurer directly. The Health Practitioner will contact each of the health professionals listed in Part 11 and provide details of the services and other charges that have been approved and are payable under this Treatment Plan.

To the insurer: Please provide a copy of this page to the applicant, the Health Practitioner indicated in Part 5 and the Regulated Health Professional or Social Worker, if applicable, indicated in Part 6.

## Part 14 Signature of Applicant

Must be completed unless waived by insurer I have reviewed and agree with this Treatment Plan. I understand that payment for this Treatment Plan is subject to the approval of the insurer.

In the event that my insurer does not agree to pay for all the goods and services contemplated in this treatment plan, I understand that an examination may be required to determine my eligibility to the goods and services outlined or this Treatment Plan.

In the event that an examination is requested, I authorize my insurer and my treating health professional or social worker, to give the health professional, social worker, or vocational rehabilitation expert properly identified by the insurer to review this application, only such information relating to my health condition, treatment and rehabilitation received as a result of the accident, as is reasonably required for the purposes of determining my eligibility to benefits.

As required by law, a copy of the examination report by the health professional, social worker, or vocational rehabilitation expert identified by the insurer to conduct the examination as well as the insurance company's determination will be sent to me.

Subject to the Statutory Accident Benefits Schedule, in those circumstances, where prior approval is required, I understand that, if I undertake any of the proposed services prior to approval by the insurer, I may be responsible for payment to my provider for any of the services rendered on my behalf.

This authorization does not apply to a consultation between my health care provider and the insurer's health professional conducting an examination (referred to in sections 24(1) 9 and 24.1(1) 2 of the Statutory Accident Benefits Schedule – On or After November 1, 1996). Separate express consent is required for this consultation. This consent should be in writing.

I certify that the information provided is true and correct. I understand that it is an offence under the Insurance Act to knowingly make a false or misleading statement or representation to an insurer under a contract of insurance. I further understand that it is an offence under the federal Criminal Code for anyone by deceit, falsehood, or other dishonest act, to defraud or attempt to defraud an insurance company.
