Victoria

No. 49 of 1999

Appropriation (Parliament 1999/2000) Act 1999[†]

[Assented to 16 June 1999]

The Parliament of Victoria enacts as follows:

1. *Purpose*

The purpose of this Act is to make provision for the appropriation of certain sums out of the Consolidated Fund for the Parliament in respect of the financial year 1999/2000.

2. *Commencement*

This Act comes into operation on the day on which it receives the Royal Assent.

3. Application of moneys

- (1) The Treasurer may issue out of the Consolidated Fund in respect of the financial year 1999/2000 the sum of \$63 728 000 as set out in Schedule 1.
- (2) If—
 - (a) in respect of the financial year 1999/2000 the amount payable in respect of salaries is increased as the result of any act or determination; and
 - (b) the amounts specified in the relevant items in Schedule 1 are insufficient to provide for the payment of the increased amount payable in respect of salaries—

the Treasurer may issue out of the Consolidated Fund an amount not exceeding the increased amount payable in respect of salaries in addition to the amount issued under sub-section (1).

- (3) In this section—

"salaries" includes wages or other payments in the nature of salary, payments by way of overtime or penalty rates or in lieu of long service leave or for retiring gratuities;

"determination" includes any regulation or any award order or determination of a person or body authorised to determine minimum salaries or wages under any law of the Commonwealth or of the State, or any Certified Agreement or Australian Workplace Agreement approved in accordance with the Workplace Relations Act 1996 of the Commonwealth, or an agreement entered into by or on behalf of the State.

4. Appropriation

The Consolidated Fund is appropriated to the extent necessary for the purposes of section 3.

5. Application of amounts appropriated

- (1) The amounts to be applied to an item specified in Schedule 1 shall not, except as provided in this section or section 31 of the **Financial Management Act 1994**, exceed the amount specified for that item.
- (2) If an amount in respect of depreciation of an asset is applied to an item in Schedule 1 for the provision of outputs of a Department, the amount shown for the item in Schedule 1 relating to that Department in respect of additions to the net asset base is increased, if the Treasurer so determines, by an amount not exceeding the amount in respect of depreciation.

6. Application of amounts for future payments

If, during the financial year 1999/2000, an arrangement is made, or an expense or obligation is incurred, for the payment of an amount in a future financial year, a corresponding amount is applied, in respect of the financial year 1999/2000, to the appropriate item in Schedule 1 for the relevant Department.
