

Advance a Career

(And Earn Free CPE!)

Your NYSSCPA membership helps you maintain a competitive edge, so why not advance the career of one of your colleagues? And, as a thank you, we will help advance YOUR career by offering 8 hours of free CPE for every referral!

That's 8 hours of **FREE CPE** for every successful referral, with no limit. For example, refer 5 eligible members and get a total of 40 FREE CPE credits.

This membership campaign is targeting some of our Associate (non-CPA) membership categories: Associate CPA Firm Employee, Associate Academic (professor), and Associate International (chartered accountant). The State Society is welcoming these professionals because of the important role they play in accounting in New York State.

Talk to an eligible colleague today about the benefits of membership. You'll be making a difference, advancing the profession and their career while providing yourself with some valuable professional education. **Questions? Please call (800) 633-6310.**

But hurry: all associate member applications must be received by **August 31, 2002!**
