If a major component part has been replaced, please refer to Assembled Motor Vehicles and Assembled Classic Motor Vehicles.

If the purchaser was not provided with the appropriate documents to provide evidence of ownership, he/she may be eligible for a Bonded Certificate of Title.

If the vehicle is coming into Nebraska from another state, the owner must have a valid Certificate of Title or registration from that state.

BONDED CERTIFICATE OF TITLE MOTOR VEHICLE/ TRAILER

A Bonded Certificate of Title is available to residents of Nebraska only. It is intended to provide a title for a motor vehicle when:

- a title has not previously been issued in this or any other state;
- the applicant is unable to provide a properly assigned Certificate of Title or Manufacturer's Statement of Origin (MSO);
- it currently has a bonded title in another state.

Before you apply for a Bonded Certificate of Title:

- You must submit an Application for Copy of Vehicle Record to the Nebraska Department of Motor Vehicles so that the state archives can be searched and it can be verified that a title was never issued in the State of Nebraska. The fee for this search is \$1.00 per record. If the vehicle was purchased in another state or via the Internet, a record search must be conducted through the Department of Motor Vehicle in the state where the vehicle was acquired. Note: A Bonded Certificate of Title cannot be issued if the record indicates any unsatisfied liens.
- If a Vehicle Identification Number (VIN) plate is required, you must complete an Assigned ID Number Application and send it to the Driver and Vehicle Records Division of the DMV along with a fee of \$20.00 and the Sheriff's Inspection form. After it is manufactured, the VIN plate will be mailed to you along with an affidavit you must sign verifying that you received the VIN plate and that you attached it to the vehicle in the proper place. This affidavit must accompany your Application for Bonded Certificate of Title.

To apply for a Bonded Certificate of Title, the following documentation must be submitted to the DMV:

- If you are aware of a previous owner of record, or the search reveals a previous owner of record, you must send a certified letter to the last known address of the individual(s), along with any lienholder if a lienholder is indicated, stating that you are the present owner of the vehicle and requesting that they obtain a duplicate title and assign it to you. The owner of record and/or lienholder must be allowed 30 days to respond. A copy of the certified letter and the return receipt from the certified letter must accompany your application for the bonded title.
- Any original written document that you received at the time the vehicle was acquired, such as a Bill of Sale or a canceled check. An affidavit may also be accepted. The document(s) will not be returned.
- A photograph, taken at an angle to show the front and one side of the vehicle. The photo will not be returned.
- An Application for Bonded Certificate of Title for a Motor Vehicle completed in full and signed.
- A Sheriff's Inspection Certificate from the local sheriff. The fee for the inspection is \$10.00. Cabin trailers and manufactured homes are exempt from inspection. (Note : Inspection Certificates are valid for 90 days from the date the inspection was performed.)
- A Certificate of Title Surety Bond for a Motor Vehicle from a bonding company licensed to do business in the State of Nebraska. The amount of the bond must be based on one and one half times the current value of the vehicle as shown by the property tax valuation or the NADA Guide. If these sources do not agree or you are uncertain, contact our office. The bond must be for three (3)

years. (Note : The surety bond must be submitted to the DMV within 30 days of the date of issuance.)

- To assist you in locating a bonding company, your insurance company is usually a good reference source. You can also find a bonding company by looking in the yellow pages of the telephone book under "Bond" and then "Surety".
- A \$50 application and application fee.

(These fees are not refundable)

Once the bonded title is issued, it will contain a Notice of Bonded Title that will read: "Notice: This vehicle may be subject to an undisclosed interest, Bond Number _____".

A vehicle with bond information on the title may be registered and may be sold. The bond information will be carried forward on the new title. After the three (3) year period, the current owner may submit an Application for Release of Notice on Bonded Title along with the appropriate title fee to the Department of Motor Vehicles to request that the Notice of Bonded Title be removed and a new Certificate of Title be issued.

§ 60-146. Application; identification inspection required; exceptions; form; procedure; additional inspection authorized.

(1) An application for a certificate of title for a vehicle shall include a statement that an identification inspection has been conducted on the vehicle unless (a) the title sought is a salvage branded certificate of title or a nontransferable certificate of title, (b) the surrendered ownership document is a Nebraska certificate of title, a manufacturer's statement of origin, an importer's statement of origin, a United States Government Certificate of Release of a vehicle, or a nontransferable certificate of title, (c) the application contains a statement that the vehicle is to be registered under section 60-3,198, (d) the vehicle is a cabin trailer, (e) the title sought is the first title for the vehicle sold directly by the manufacturer of the vehicle to a dealer franchised by the manufacturer, or (f) the vehicle was sold at an auction authorized by the manufacturer and purchased by a dealer franchised by the manufacturer of the vehicle.

(2) The department shall prescribe a form to be executed by a dealer and submitted with an application for a certificate of title for vehicles exempt from inspection pursuant to subdivision (1)(e) or (f) of this section. The form shall clearly identify the vehicle and state under penalty of law that the vehicle is exempt from inspection.

(3) The statement that an identification inspection has been conducted shall be furnished by the county sheriff of any county or by any other holder of a certificate of training issued pursuant to section 60-183, shall be in a format as determined by the department, and shall expire ninety days after the date of the inspection. If such numbers are not identical, if there is reason to believe further inspection is necessary, or if the inspection is for a Nebraska assigned number, the person performing the inspection shall make a further inspection of the vehicle which may include, but shall not be limited to, examination of other identifying numbers placed on the vehicle by the manufacturer and an inquiry into the numbering system used by the state issuing such ownership records to determine ownership of a vehicle. The identification inspection shall also include a statement that the vehicle identification number has been checked for entry in the National Crime Information Center and the Nebraska Crime Information Service. In the case of an **assembled vehicle**, the identification inspection shall include, but not be limited to, an examination of the records showing the date of receipt and source of each major component part. No identification inspection shall be conducted unless all major component parts are properly attached to the vehicle in the correct location.

(5) If there is cause to believe that odometer fraud exists, written notification shall be given to the office of the Attorney General. If after such inspection the sheriff or his or her designee determines that the vehicle is not the vehicle described by the ownership records, no statement shall be issued.

(6) The department, county clerk, or designated county official may also request an identification inspection of a vehicle to determine if it meets the definition of motor vehicle as defined in section 60-123.

BONDED CERTIFICATE OF TITLE FOR A VEHICLE

If your county official cannot register or title your vehicle because you do not have the proper title documents, you **may** be able to file a bond as a condition of obtaining a title.

To obtain the required Sheriff's Inspection at your county sheriff's office, take your completed Application for Bonded Certificate of Title and the \$10.00 inspection fee.

Once you have obtained the required inspection, provide the following to the Department:

1. A record search must be conducted through the Department to determine the last titled owner of the vehicle. If the vehicle was purchased in another state or via the Internet, a record search must be conducted through the Department of Motor Vehicles in the state where the vehicle was acquired. **Note:** A Bonded Certificate of Title cannot be issued if the record indicates any unsatisfied liens.
2. If there is an **owner of record**, a return receipt from a certified letter to the owner of record at the last known address stating that the applicant(s) is the present owner of the vehicle and requesting a duplicate title with an assignment to the applicant(s). If a search by the Department of Motor Vehicles here, or in the state where the vehicle was acquired, cannot determine an owner of record a certified letter must be sent to the person(s) or business from whom the vehicle was acquired. The applicant shall submit a copy of the letter and return receipt to DMV.
3. **Any original written document** that you received at the time the vehicle was acquired, such as a bill of sale or a cancelled check. An affidavit may also be accepted if the applicant has no written documents. Applicant shall explain on the application why he/she is entitled to ownership of the motor vehicle. The original document(s) will not be returned.
4. A **photograph** taken at an angle to show the front and one side of the vehicle. The photograph will not be returned.
5. A completed "**Application for Bonded Certificate of Title**", dated and signed.
6. **Sheriff's Inspection Certificate** – The Inspection Certificate must be the original. A photocopy or carbon copy is not acceptable. (**Note:** Inspection Certificates are valid for **90 days** from the date the inspection was performed.)
7. A **surety bond**, obtained from a bonding company or insurance agency licensed to do business in Nebraska, based on one and one half times the current value of the vehicle as shown by the property tax valuation or the N.A.D.A. Guide. The bond shall be in effect for three (3) years. If these sources do not agree or if you are uncertain of the value, please contact the Department of Motor Vehicles. HOW DO I GET AN OUT OF STATE INSPECTION DONE?

For the convenience of people in the Military and those who purchase vehicles out of state, but retain Nebraska as their legal residence, an out of state inspection form has been designed. The inspection of the vehicle must be conducted by an officer of a **state police agency or Provost Marshall** and mailed to the Nebraska State Patrol along with a \$10.00 processing fee for final approval. **(Effective August 31, 2003 there will be a fee of \$10.00 for processing of the Inspection form.)** Upon approval by the Superintendent of the Nebraska State Patrol, the customer may obtain title in the county of his residence, provided the necessary evidence of ownership to the vehicle accompanies this inspection certification. This inspection shall be conducted on used vehicles titled in another state, which have been assigned to a Nebraska resident. This does not apply to vehicles purchased new when transfer is made on a manufacturer's certificate of origin.

INSTRUCTIONS:

1. Have the Motor Vehicle Identification Certificate completed by an officer of a **STATE** police agency. The title or certified copy of the title must be present for comparison when the officer does the inspection.
2. Complete section 2 of the Certificate with the name and address of where the approved certificate should be returned and remit a check or money order for \$10.00 made payable to the Nebraska State Patrol. Effective July 1, 2004 the inspection form will be void 90 days after date of section.
3. Mail original certificate with a photo copy of the title and \$10.00 fee to:

Nebraska State Patrol
Auto Fraud Division
3800 NW 12th Street
Lincoln, NE 68521

4. Customer may obtain title in the county of residence upon receipt of approved completed Inspection Certificate.

Information for Inspection of Vehicles and Parts by a Qualified Car Club Representative

As a Qualified Car Club Representative you shall:

- Only inspect vehicles not owned by you or any immediate family member;
- Only inspect vehicles that are of the type, era, make and model that the Recognized Car Club you are a member of specializes in;
- Not charge for the inspection or for completion of the Inspection Statement;
- Immediately notify the Department of Motor Vehicles, Driver and Vehicle Records Division if you relinquish your membership in the Recognized Car Club that has designated you as a Qualified Car Club Representative.

Inspections you conduct shall include:

- Verification of the origination of each major component part on the vehicle. Major component parts include: the engine, transmission, cowl, door, frame, body, rear clip or nose;
- Verification that each non-original part is essentially the same in design and material to that originally supplied by the manufacturer for the specific year, make and model of vehicle, including the appropriate engine, body material, and body shape. A modification from the original specifications may be permitted if the modification is of historic nature and essentially the same in design and material to that originally supplied by the manufacturer for vehicles of that era or if the modification could be considered to be in the category of safety features. Safety-related modifications include hydraulic brakes, sealed-beam headlights and occupant protection systems. A modification involving accessories shall be limited to those accessories available in the era to which the vehicle belongs; and
- Completion of a Recognized Car Club Representative Inspection Statement for Classic Assembled Motor Vehicles.

Completion of the Qualified Car Club Representative Inspection Statement for Classic Assembled Motor Vehicles:

- Section 1 shall be completed by the vehicle owner;
- You will need to complete Section 2 by indicating the vehicle year, make, model and serial numbers for all major component parts. **If a part does not have a serial number, be sure to indicate this on the statement;**
- Indicate in the appropriate area, which of the major component parts are not original parts for the vehicle you are inspecting;
- Indicate in the appropriate area, whether or not the parts listed on the inspection statement are essentially the same in design and material to that originally supplied by the manufacturer for the year, make and model of vehicle; and
- Date; print your name; indicate the name of the Recognized Car Club that you represent; provide your telephone number; and sign.

Application to Become a Recognized Car Club

An organization that has 20 members or more, that is a nonprofit organization with established bylaws, and has members with knowledge of and expertise pertaining to the restoration and preservation of specific makes and models of vehicles using replacement parts that are essentially the same in design and material to that originally supplied by the manufacturer for a specific year, make and model of vehicle, may apply to the Department to become a recognized car club. A member of a "recognized car club" may then apply to become a qualified car club representative. A "qualified car club representative" is eligible to inspect motor vehicles to determine whether or not any replacement parts used are essentially the same in design and material to that originally supplied by the manufacturer.

Copies of the current bylaws and membership list of the below-named Car Club must be attached to this application.

Upon receipt of a completed Application to Become a Recognized Car Club, the Department of Motor Vehicles shall determine if a car club qualifies as a recognized car club. The determination of the Department shall be final and nonappealable.
